Highlander Territory

Welcome to Royal High School. Many Students always wonder what the meaning of CRUACHAN, Kru/a/kin, is. It is the highest mountain top in Scotland and it represents the Highland Territory. We are the mighty Highlanders and we show our spirit and pride for our school by participating in many different activities and events around us.

The Annual Staff hopes that the Sophomores had a very enjoyable year. We hope your next two years here at Royal High will be filled with great memories that will be treasured forever. For those juniors who are about to enter their senior year, we hope that it will be the best year possible because one can never relive a Senior year. All graduating Seniors, we wish you the best of luck in the future. We hope you are wise in your decision making whether your choice is to go to college, go in the service, or start a career right away.

Take advantage of all the opportunities offered here at Royal High. The library is a great place for research, to study, or just losing yourself in a great novel. The CGC is a great help to many of the students, as it has opened the doors to new careers and job opportunities to all of us in the future.

By getting involved and participating in the many activities around this school, you will meet new friends, learn new things, and find yourself having fun at school. Just remember you are only going to get something out of school and life if you are willing to put out a little.

A Man With Class

The annual staff wanted to honor a man that has been most influential and inspirational to everyone here at Royal High.

Dr. Stephens was born on October, 18, 1920, in Danville, Illinois. He spent most of his early years in Rockland, Illinois. In 1935, his father had a job offer and moved to California.

His father was very interested in sports. He coached many numerous sporting events, which may be the reason why Dr. Stephens was involved in so many sports and excelled in them in college. He played college basketball, and was the top player in his conference for all 3 years. The L.A. Times nominated him for All-American honors. Dr. Stephens also excelled in other sports including swimming, track, and baseball.

He attended Occidental College in California, and there he received his B.A. in Art and his masters Degree in Language. Then he went to U.S.C. and received his P.D.d. (Doctor of Philosophy) in Learning Theory. It took him from 1968-1972 to accomplish the requirements for his P.H.d.

Before Dr. Stephens became involved with education, he wanted to become a lawyer. He applied to Harvard College, but because of a one year waiting list, so he received an emergency credential because of a need for teachers, and started teaching at Moorpark High School. While he was at Moorpark he coached three sports. He liked being close with the students so much that he went back to school to get his teaching and administration credentials.

After receiving his teaching credential, Dr. Stephens went on to teach at Colton High School. Dr. Stephens was the Boys' Vice Principal in charge of discipline. He was also the Supervisor of Attendance, and Director of Students Services. He stayed at Colton for four years and then moved on to San Marino High School, where he was Assistant Principal and Dean of Boys.

He was also in charge of the course of study at San Marino, and in addition, he advised the A.S.B. for four years. Then he took a vacation for three years.

He was involved in Real Estate and insurance during his three year hiatus, but missed being involved with students.

Upon returning to the field of education, Dr. Stephens taught at Simi Elementary. He taught such subjects as: Russian, Japanese and French, among others. Dr. Stephen coached the boys' 8th grade basketball that ranked 2nd in Southern California.

After being at Simi Elementary for three years, he went to Sinaloa Jr. High School, as the first principal of the school.

Dr. Stephens was at Sinaloa for 8 years. He was picked to be Sinaloa's first principal and was quoted saying, "They wanted the best principal in the state, so they got me."

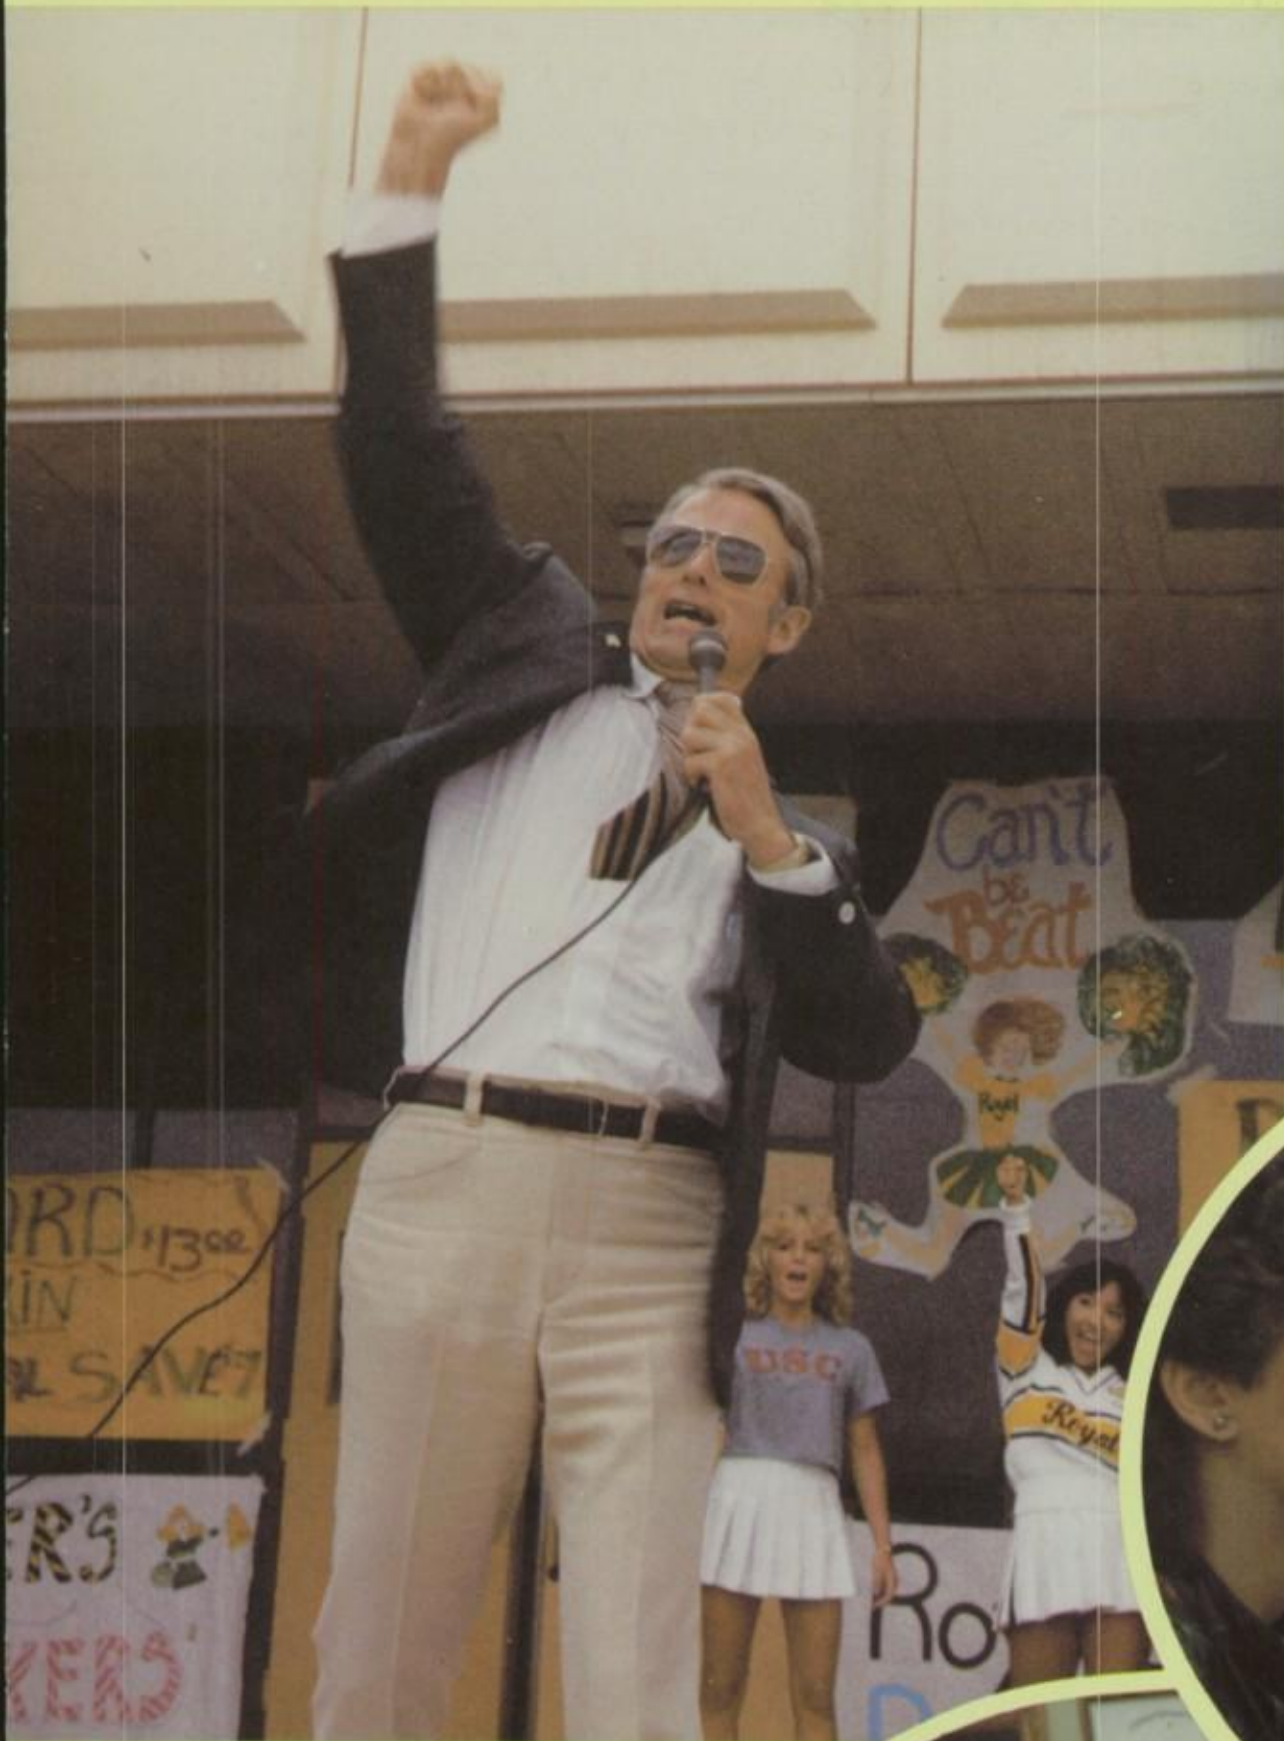

1972-1973 marked a change for Royal High School. Dr. Stephens became Royal's second principal. He feels he has made many worthwhile changes here at Royal. He feels that students' expectations are higher. He supports every student in every facet of their school life.

"They know I care," he said of his supporting athletes, musicians, artists, academicians, and all the other categories that students may fit. He was selected as the Students' Pet for his first five years at Royal.

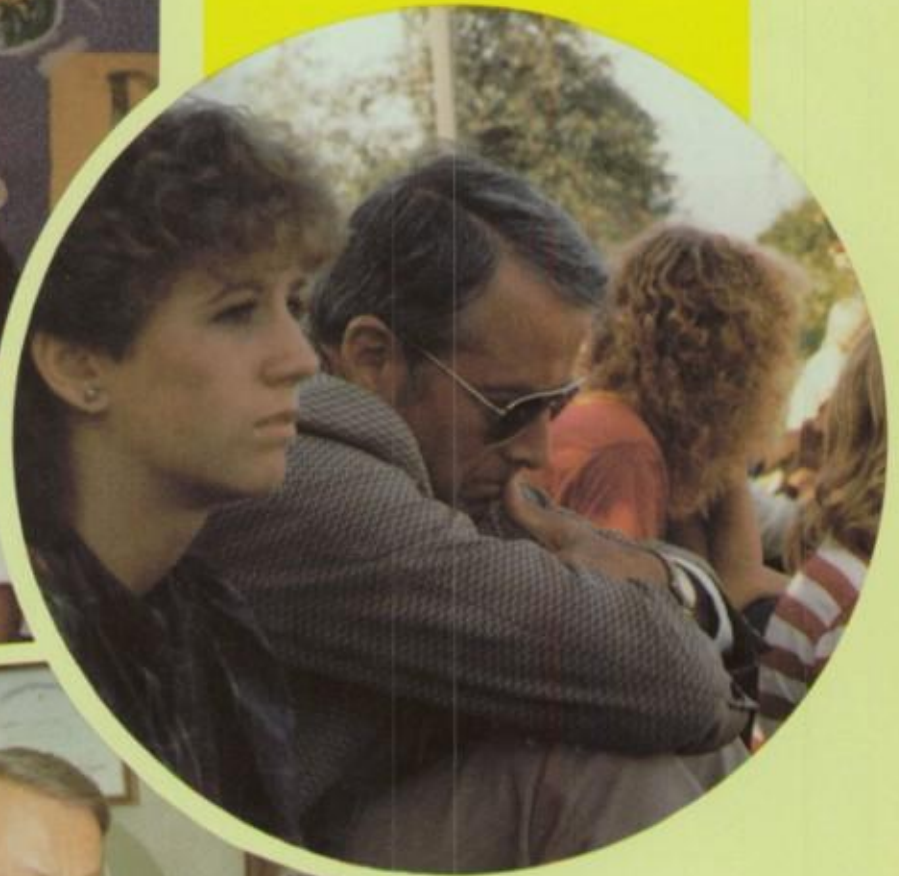

Advanced Placement courses were developed because he wanted to offer more than just the normal high school curriculum to the students.

He feels that the students are very friendly to the teachers and this is an immense help to the good morale here at Royal.

The Annual Staff wanted to pay special tribute to Dr. Phil Stephens because this is his last year as principal. We want to thank him for all those extra hours, thousands of hours, that he has spent making Royal a fine school and a friendly place to be.

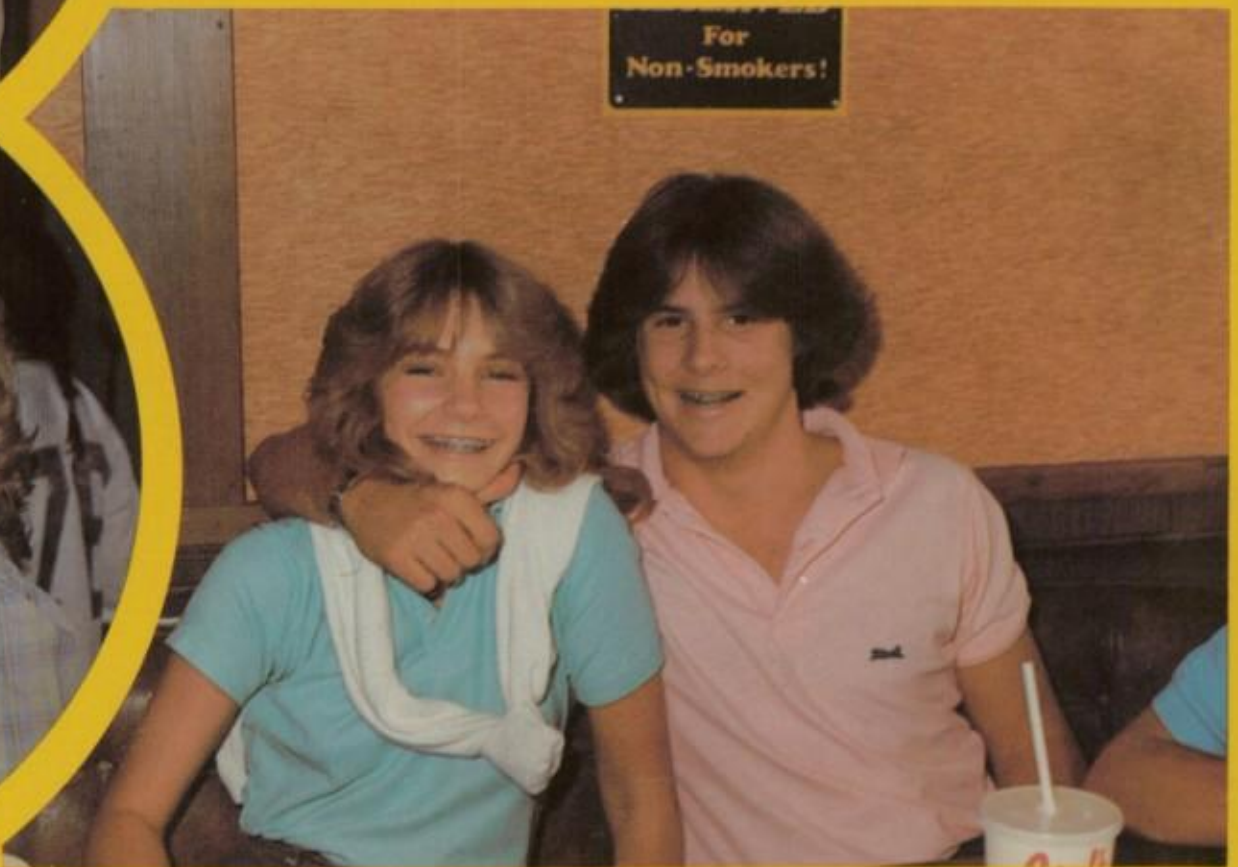

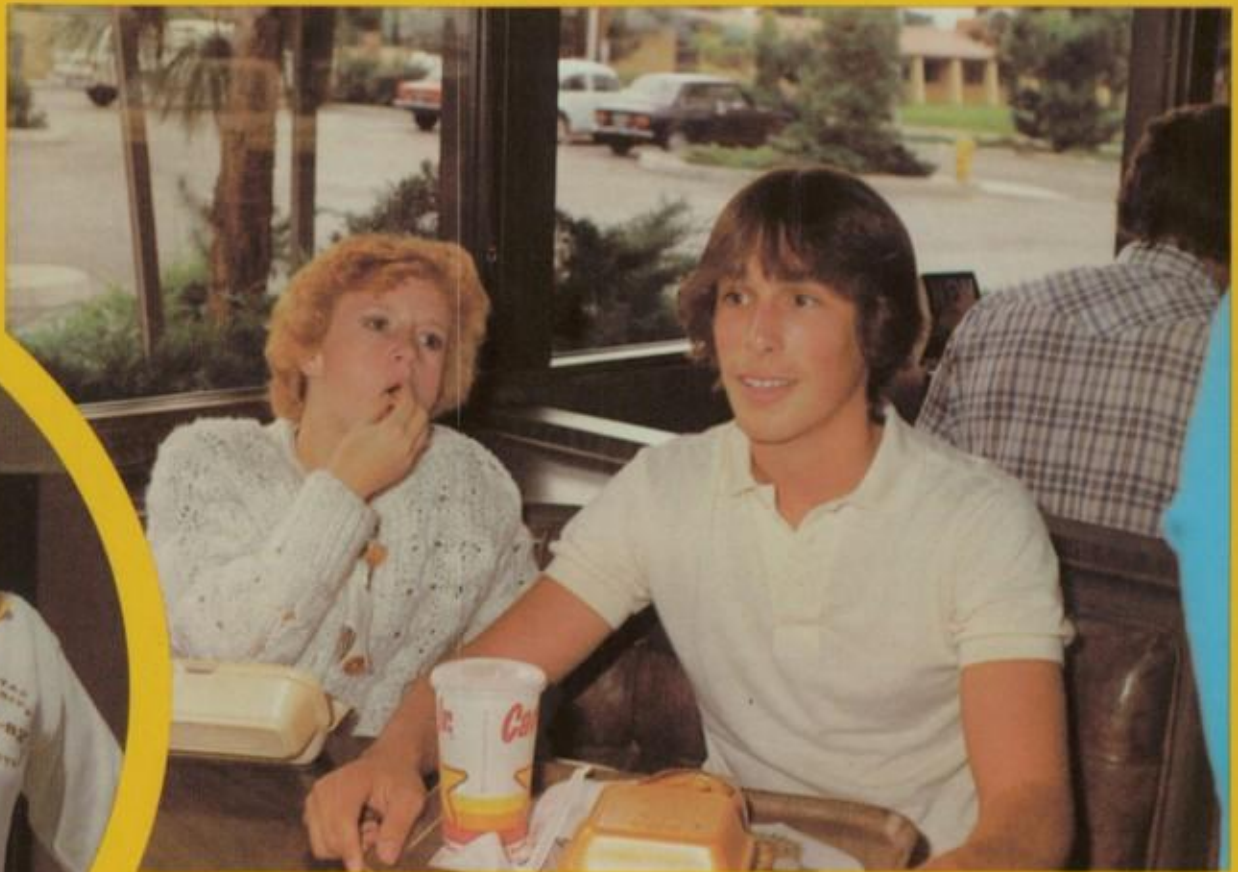

Dear Bertie,
 These last few years have
 been interesting in band and

 had with. Good luck
 next year at USC. Have

Bernie Kuhns was quoted saying, "Without friends life would be worthless." Friends are special people and very important people, they play a major role throughout our lives.

Cybil Lolly feels, "Friends are security and we all need them."

Friends are people you can count and depend on. They are there to share the best and the worst times of your life.

Carla Ernst summed it all up by saying, "Friends are for going to school games with and telling secrets to."

We've Got The Look Fashions Of "83"

Through the year people have changed and so have their taste in clothes. Jackie Redner said, "Fashions are whatever you make them."

It's not punk or new wave, yet our own special creations. The preppy look was really in this year, whether it was just a pair of 501's and a polo shirt, to checkered birmudas and a buttoned down collared shirt.

Russ Havens was quoted saying, "I like all the guys fashions this year." Lace and ruffles were in, especially worn with a prairie skirt. Though knickers slightly faded out, mini skirts were still hanging in there. The tuxedo look was also very popular this year with it's slick exciting style.

Pattie McCann summed it up by saying, "I think this years fashion are great and I love to spend my money on them."

Throughout this year we have gone through many different fads. Some of the more noticeable ones were the mohawks and the bi-level hair cuts.

Kathi Elson was quoted saying, "The football players showed great spirit by getting mohawks for the football season."

Various styles of earrings were worn with the bi-level hair cuts. E.T. played a big part in this year's fads along with the Smurf characters.

"They are cute little blue men," stated Monica Walrod about the Smurf characters.

"I love" stickers have also been very popular. The biggest fad that will continue to roll on throughout the years will be concerts. Ticket stubs, stickers, and t-shirts are just a few of the memorable items collected from these great concerts.

The Royal Cabinet

Here at Royal, there are certain special people that are constantly working at making this year the best it could be. These people are the six members of our A.S.B. cabinet. Jennifer Simcik said, "I think they are very spirited and enthusiastic."

This year's A.S.B. President is Bobby Chacon. Other Cabinet members consist of: Kim Warner, Vice-President; Maria Tallosi, Secretary; Marleen Shores, Treasurer; Becky Von Feldt, Director of Student Services; and David Hixon, Speaker of the House.

The hard working A.S.B. officers plan school activities and guide our student body with energetic enthusiasm and dedication.

Kelly Hird was quoted as saying, "The A.S.B. officers are really neat people and they're doing a great job."

It was organized by the Junior Class. Maria Tallosi said, "The Homecoming Parade was exciting and very well put together."

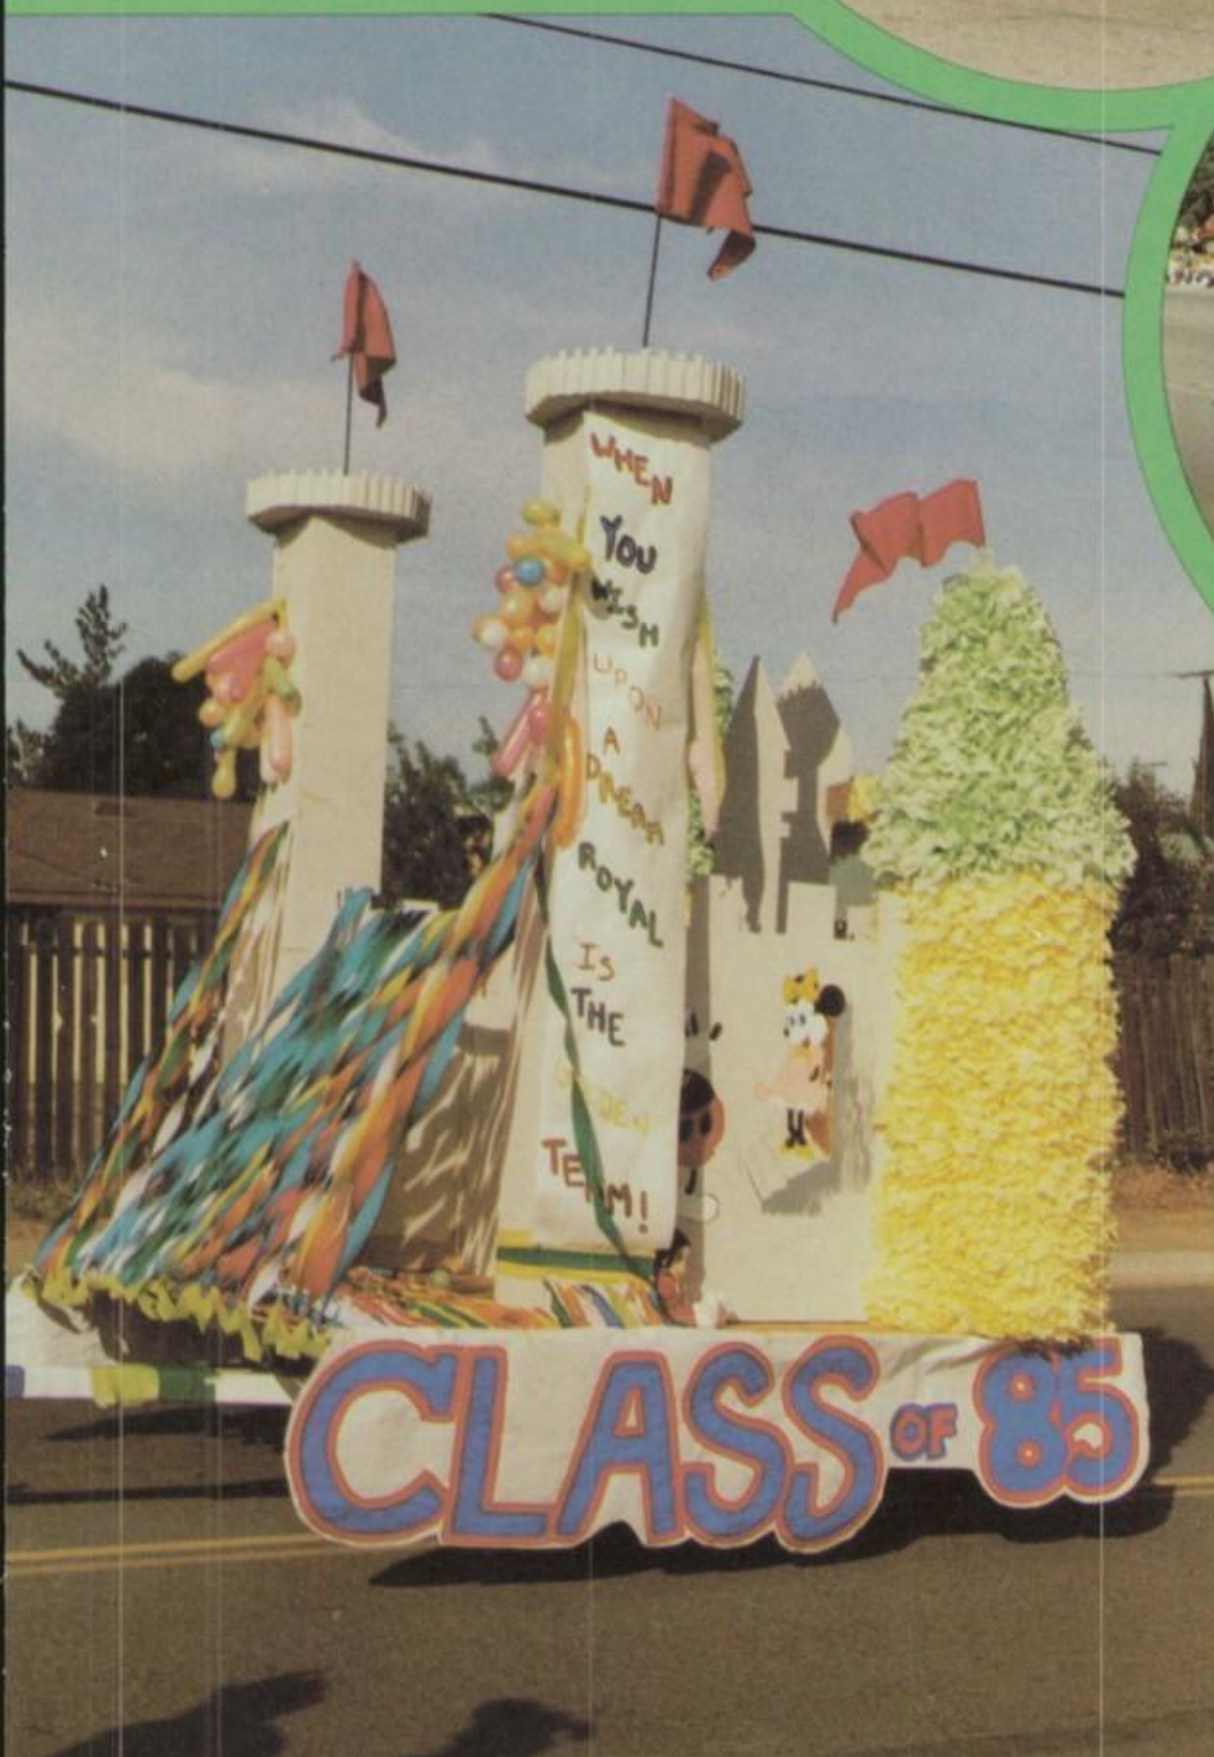

The Homecoming Parade was greatly supported by the student body. Lori Mullens said, "Homecoming was a lot of fun for everyone this year."

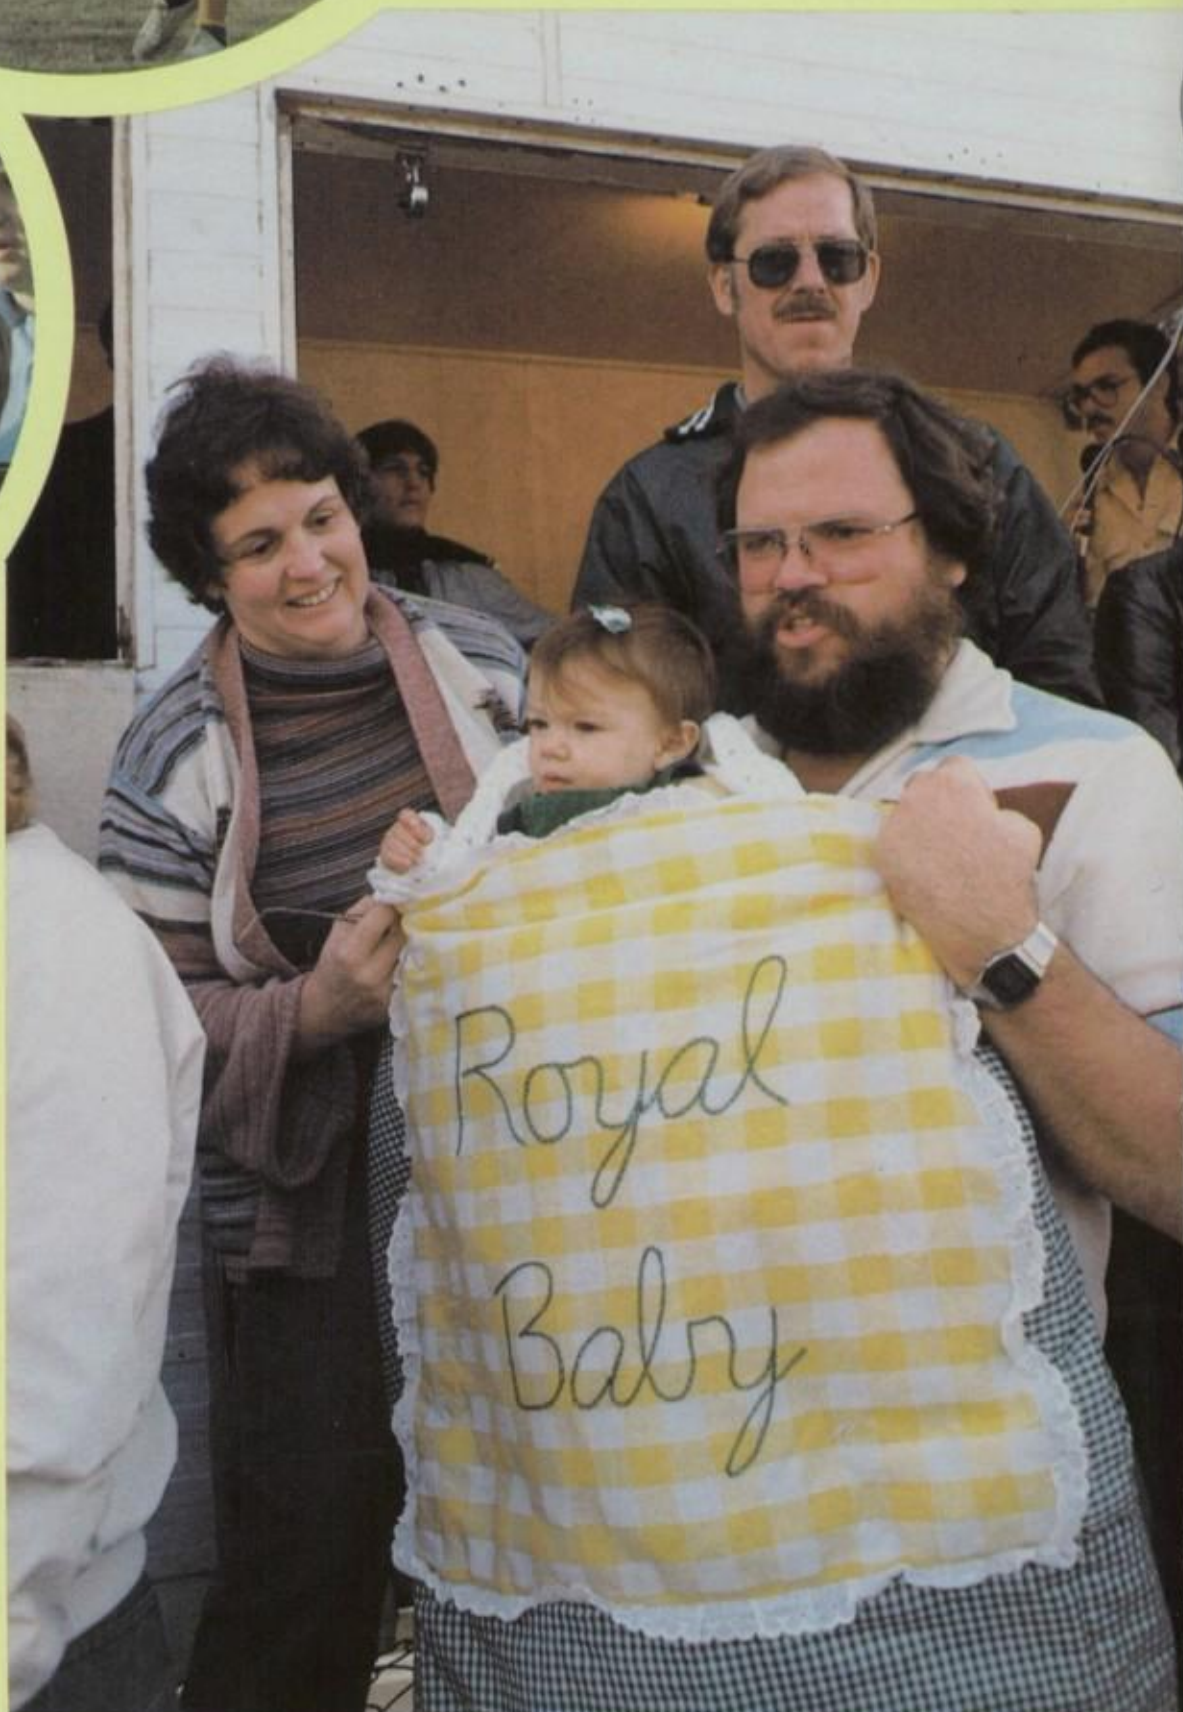

The floats were very original and everyone seemed to have a good time working on them. Spirit and enthusiasm helped make this year's parade the success that it was.

Royal Rips Simi Again

Saturday, November 13th, was an important day for many football players and fans. It was the day of the Royal vs. Simi football game. Royal gained the valley bragging rights, for the third year in a row, by beating Simi, 10-1.

The fans had a good time rooting for their favorite team and enjoyed the half-time entertainment.

Helen Garrity stated, "The Royal-Simi game was fun because we had a chance to act crazy and 'Spaz out'."

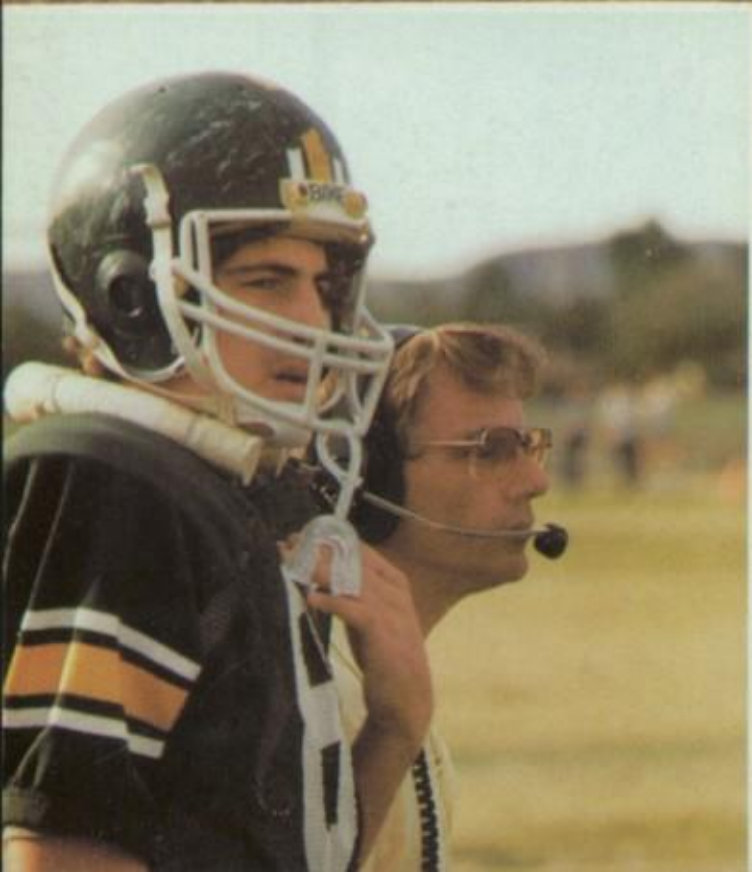

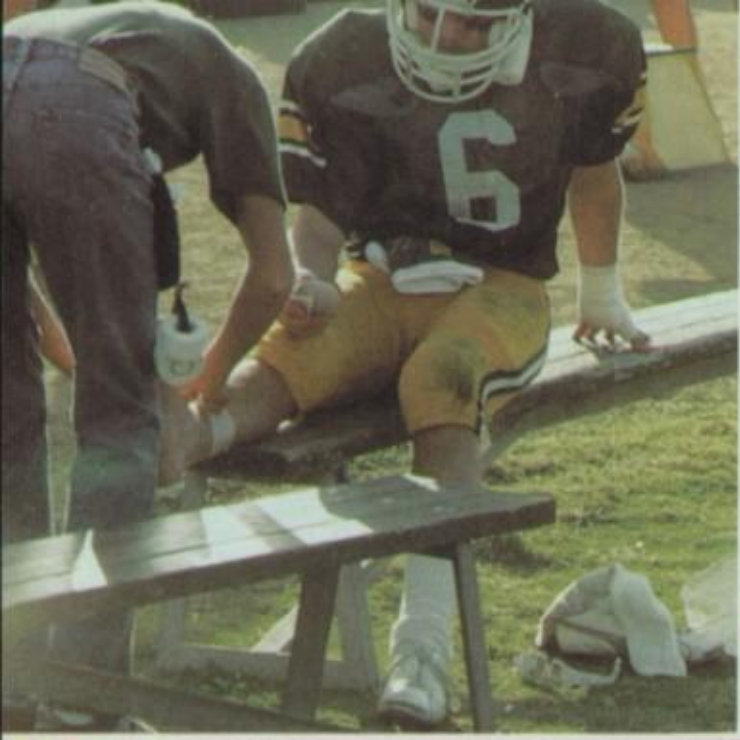

Wendy Greene exclaimed, "It was fun, it was great, I loved it."

The game proved one thing; this is Royal Valley!

Royal Rocks Out

Many spirited events went on during this year. Great enthusiasm was shown from all of the students who gathered around some of the different events which took place on our campus this year. A lot of spirit was shown at our dances. We have had the best turnout of people this year in both our rallies and dances, especially when Pa Pa Doo Run Run and John Stamos visited our school. This was not the first time for Pa Pa Doo Run Run but it was the first appearance at Royal High for John Stamos. Everyone thought he was just great. Pep Rallies have also been very popular. Cheerleaders show so much spirit and they get the crowd going.

Tina Pineiro was quoted saying, "I like the dances because my friends and I have a blast."

"I think the spirit at Royal is the best I have ever seen and there has been such a great crowd of people at the football games, rallies, and dances this year." stated Dena Innes.

Cruachan Staff

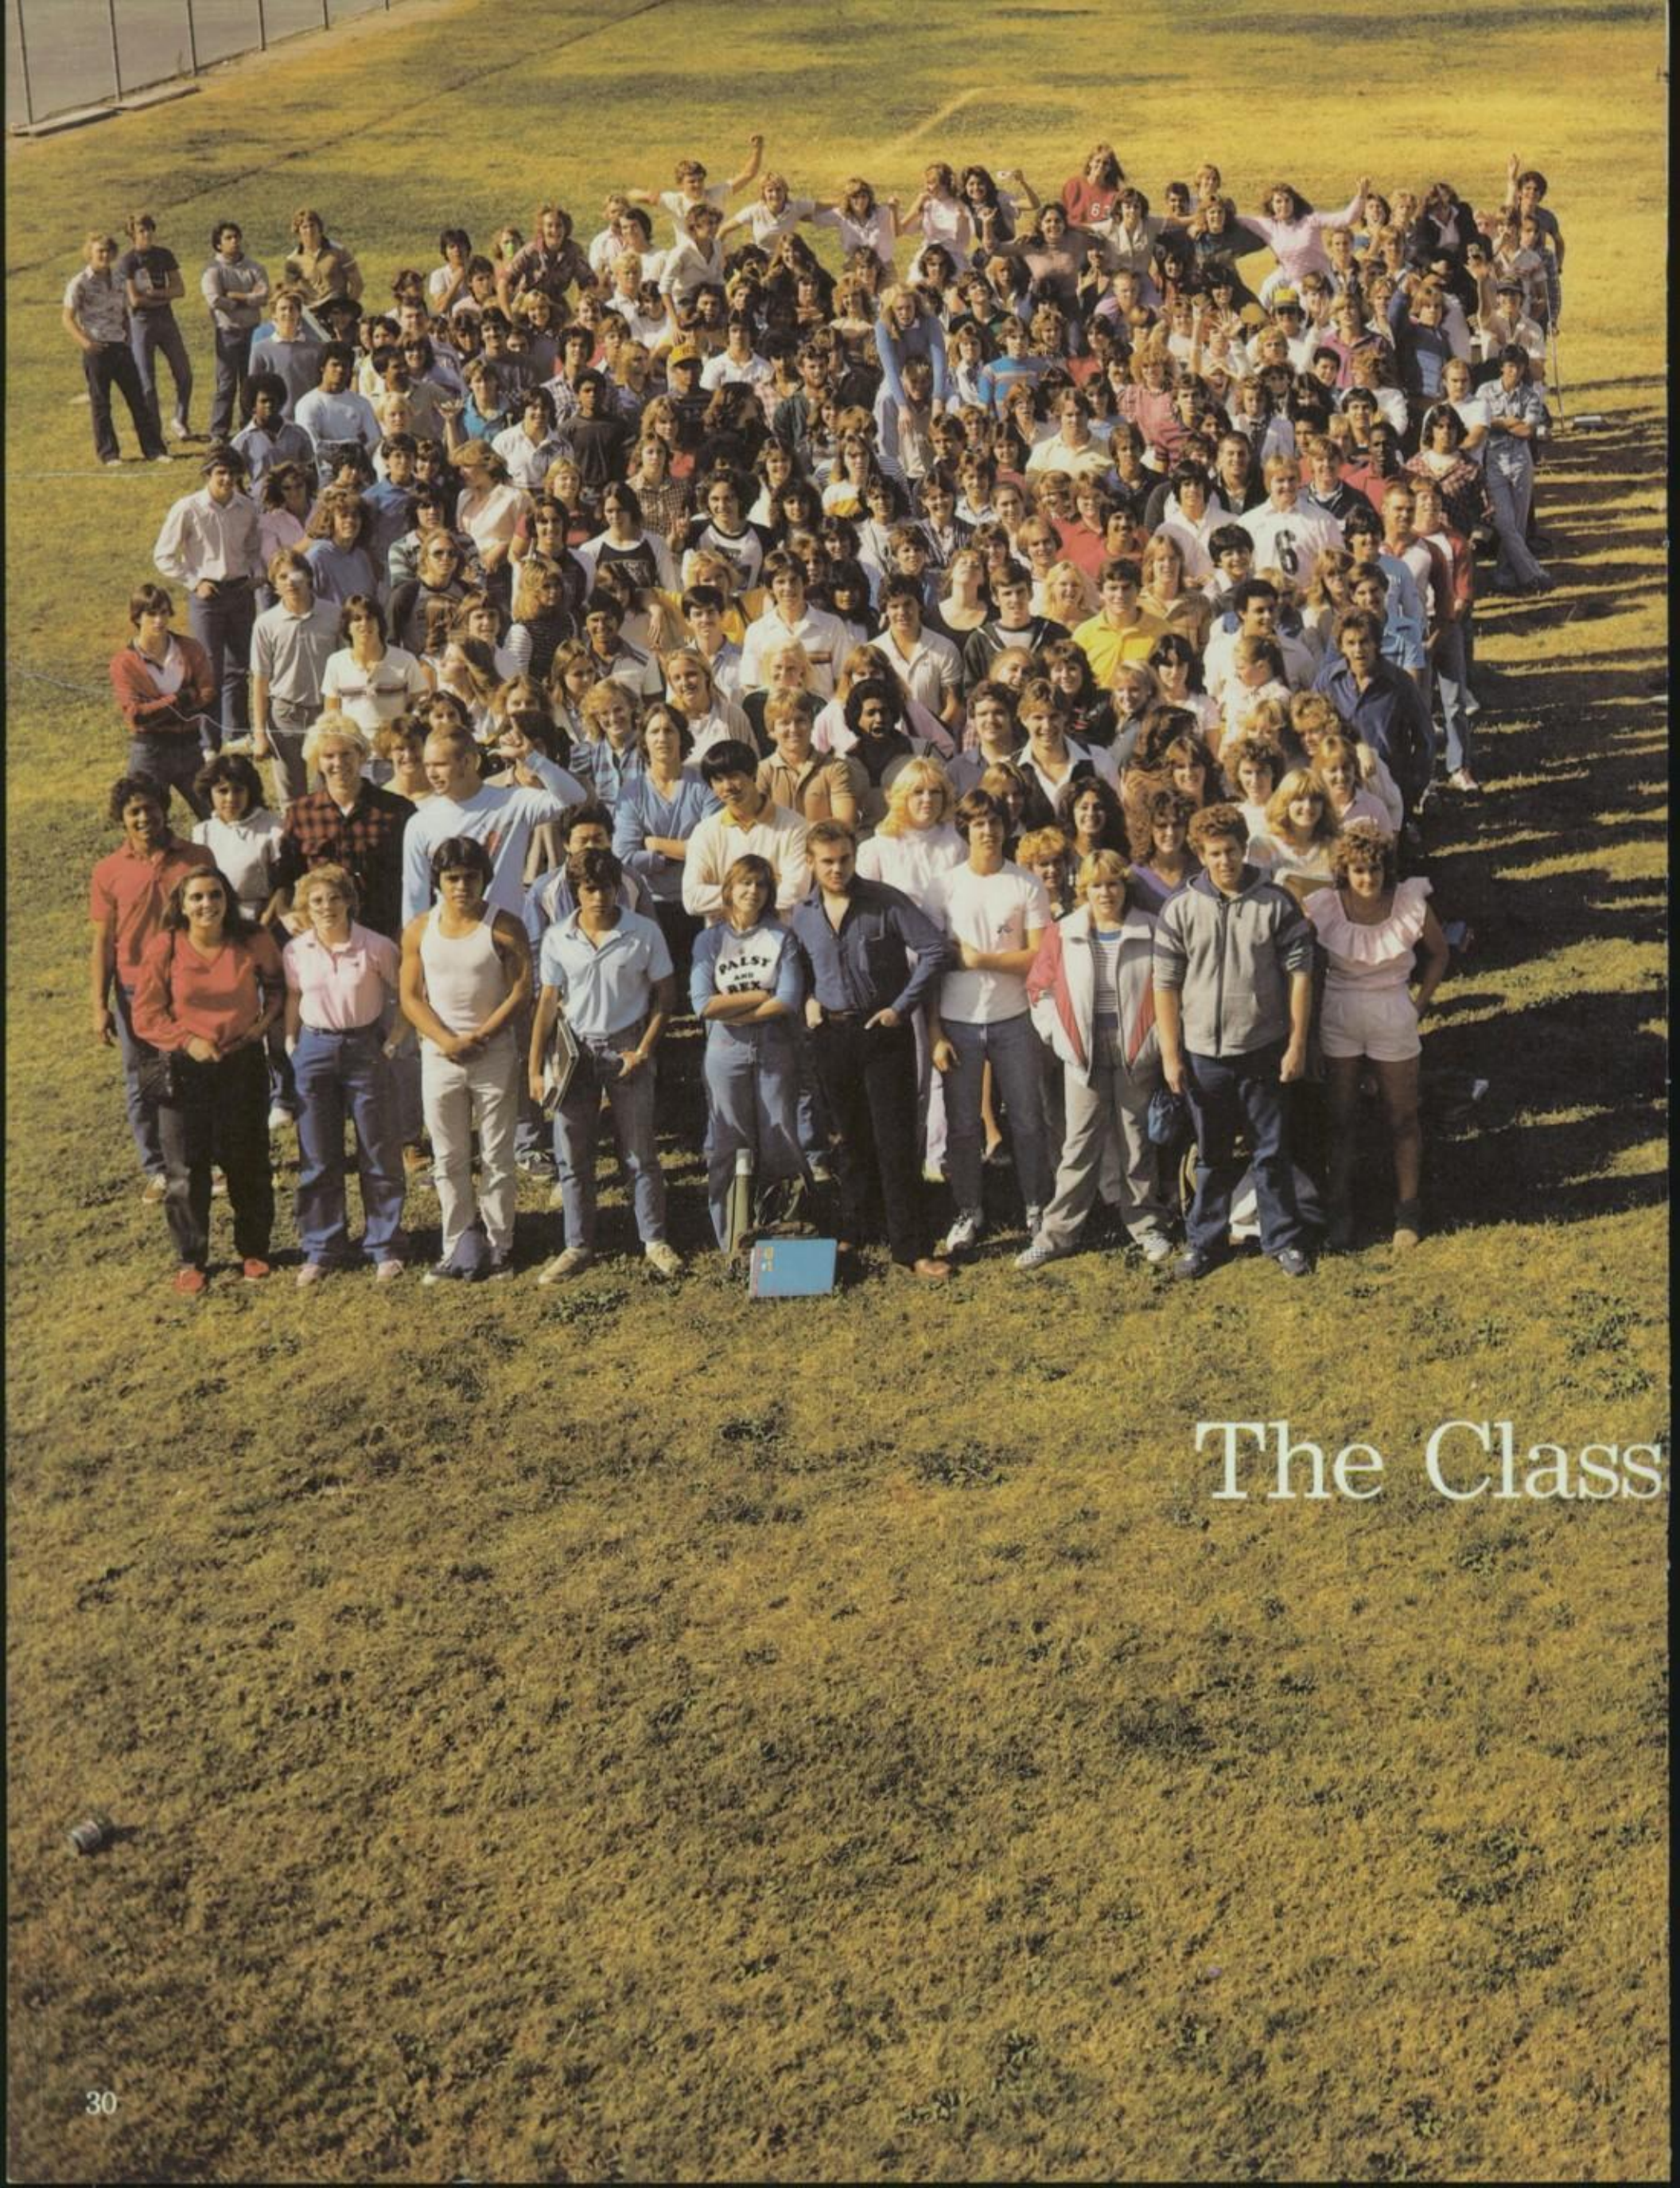

Finally! The deadlines are met and the frustrations are over. The annual staff pulled off another great edition, the fifteenth to be exact.

The people who cover these two pages are the members of this year's hard working annual staff. These students were under the guidance of Mrs. Hatton and they spent a great deal of time and dedication to making this year's annual the best one possible.

Each staff member worked on a different part of the annual but everything was overseen by the Editor, Pattie McCann and Assistant Editor, Melanie Caracciola. These two individuals along with Mrs. Hatton helped to lead the staff to the production of this yearbook.

Varsity Football

The season could best be described as disappointing but promising. A great deal was expected of the 1982 team. Some of these expectations were met; a 3-1 non-league record, and a shutout over rival Simi. Royal placed fourth in league, but with several returning players and a promising group of incoming juniors, the future looks very bright.

Seniors, John Buckley and Ron Rominger shared their thoughts of the season, "it was a lot of fun but disappointing. We learned a lot from Coach West, he was a very inspiring coach both on the field and off."

Junior Ric Wampner described the season as exciting, "A lot more is happening then in Soph. football."

Randy Stader, a dedicated fan, remarked, "I would have hoped that they would have done better, but at least they beat Simi."

Offense on the Run

The Sophomore team started out slowly in numbers (18 for the first game) then came on strong, to finish with a very respectable 6-4 record and a 3rd place in league. Led by M.V.P. Mark Boian from his linebacker position, the defense was the driving force. The offense was lead by quarterback Tim Halowell and the M.V.P. offensive player Darrin Mariott from his wide-receiver position.

Jeff Gray described the season as alright, "I wish it would have lasted longer."

Shawn Payton remarked, "We had a good team, our season went great, except down to the last game (Simi) we should have won."

Girls Go The Distance

This year's Girls Cross Country team was coached by Miss Sandy Williams. This is her first year back coaching cross country after taking one season off after thirteen years of coaching. "This year's team is a young and hardworking, with great potential for next year," commented Miss Williams.

Although the team was not "League Champs", they set goals and "ran" after them until they achieved them. The team was so close to their coach that they called her "MOM".

The team went to a lot of fun places like, invitationals and overnights. Although they had their equal share of wins and losses, both the Varsity and the Junior Varsity beat Simi with scores of 24-31 and 15-50 respectively. (The lowest score wins.)

Bobbie Sandt was named MOST VALUABLE with Dawn Talbot OUTSTANDING SENIOR, Melanie Caracciolo OUTSTANDING JUNIOR, and Shelly Larson OUTSTANDING SOPHOMORE. Robbin Stockemer was MOST IMPROVED, Kim Dunbar was MOST DEDICATED, while Kim Posey was MOST INSPIRATIONAL.

Distance Runners Last Longer

This year's team was the most successful ever under the leadership of Coach John Clarke. He took his team all the way to C.I.F. sub sectionals or sub finals. Most of the runners were more than teammates, they were good friends. The majority of the runners had been in training since mid-summer. Chris Smith commented, "Cross Country is really tough. I'd like to see anyone come out and train with us for a week, they would really be hating life."

Girls Tennis

Girl's Tennis finished the season in 4th place behind traditionally strong Westlake, Thousand Oaks, and Camarillo. With a league record of 6-6 and an overall record of 6-10, both Varsity and Junior Varsity played up to the expectations of Coach Middleton. Coach Middleton commented that as a young team (1 senior, 5 juniors, and the balance of 5 sophomores), the team started to jell as a unit towards the end of the season. The highlight of the season was in defeating our rival high school twice. This was the second year in a row that Royal girls have gone undefeated against Simi.

Corrine Curry was Most Valuable J.V. player and Tiffany Vincent was voted as the Most Improved J.V. player. At the Varsity level, Valerie Barnard was voted as the Most Improved player and Daphne Pleasant was named Most Valuable. Honorable Mention was given to Dawn Silverberg (singles) and to Lori Wendling and Jill MacIntyre (doubles) in the All Marmonte League Selections. In light of the outstanding girls in our league, this was indeed an outstanding achievement. Volleyball Excells!

The 1982 Varsity Volleyball team had a very satisfying season with a winning record overall, taking the Marmonte League title by a record of 10-2. It was a job well done. Congratulations.

Brandy Martin, who was named to the All CIF team viewed the season with great enthusiasm. "It was great. I had a lot of fun. It just ended too soon."

Ready, Set, Spike

This year the Junior Varsity volleyball team went through a major change. They acquired a new coach, Coach Ferguson. This change did not disrupt their play, however. They were a very strong team with a certain winning desire. The team ended up 1st in Marmonte League with a respectable 12-1 record (11-1 league).

Monica Denham remarked, "I was not used to being on a winning team, so I loved it."

Alison Coster said, "It was a real good year, it was really great."

Judy Yasman commented, "I had a lot of fun, I enjoyed it immensely."

On Top Again

The Girls Varsity Basketball team had a very successful year. Led by three year members and team captains Michelle Houston and Paula Getty, this team once again made the CIF Playoffs.

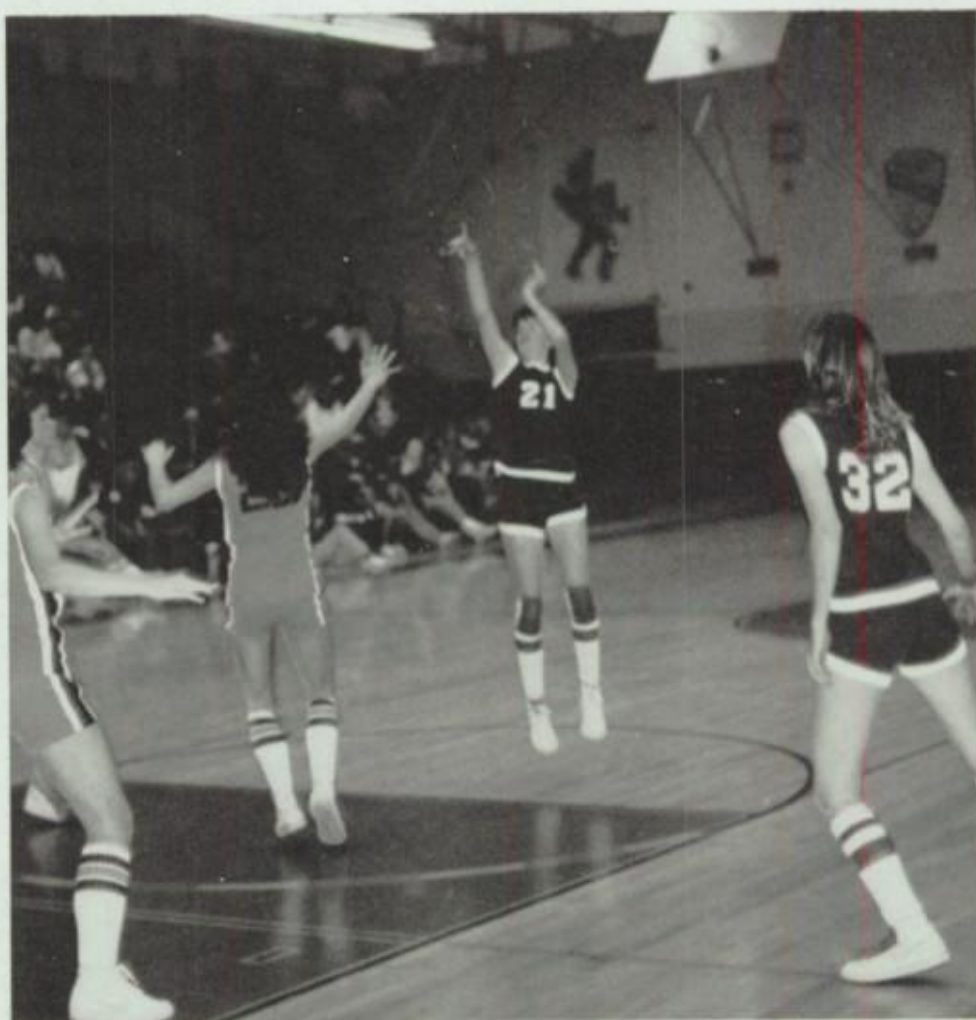

Paula Getty made history by scoring more than 1,000 points in her Varsity career. She is the first basketball player, boy or girl, at Royal to achieve this feat.

The team, however, will still have some talent left for next year as Junior starters Jennifer Simcik, Andrea Myers, and Carol Kellick will be returning. The subs, known as "Kelly's Mad Dogs" helped the team immensely according to Coach Gene Hatton.

This year's team went further in the season play-offs than any other basketball team in Simi Valley, boys or girls. They went all the way to the quarter finals in CIF play-offs until they were narrowly defeated by #2 seeded Long Beach Poly. The girls should be proud of their impressive overall record of 18-7. They played all of the top teams Southern California, including all of the top ten teams. They have proved their excellence many times.

Terri Nelson said, "We had a great girls' team this year. The games were always interesting to watch, and a lot more exciting than most people think."

Pattie McCann added, "The girls' games were exciting. They really played well this year!"

J.V. Girls Basketball

The Junior Varsity Basketball team was young and relatively inexperienced, but what they lacked in experience, they gained in enthusiasm. The team really improved during the season. The highlight of the season was their two wins over Simi High School.

Stephanie Gray stated, "I really enjoyed the season. They played so much better at the end of the season than at the beginning."

Boys Varsity Basketball

The 1982-83 Royal Varsity team ended the season with an 6-17 record. That record, does not, however, show all of the hard work and determination put in by the team members. The single league win against Simi was hard earned and well deserved and ended a league losing streak. Joe Hart described the season as "Okay." Sean Flannagan was not sure how to describe it, he said, "It was disappointing but fun."

Underclassmen Fight Hard

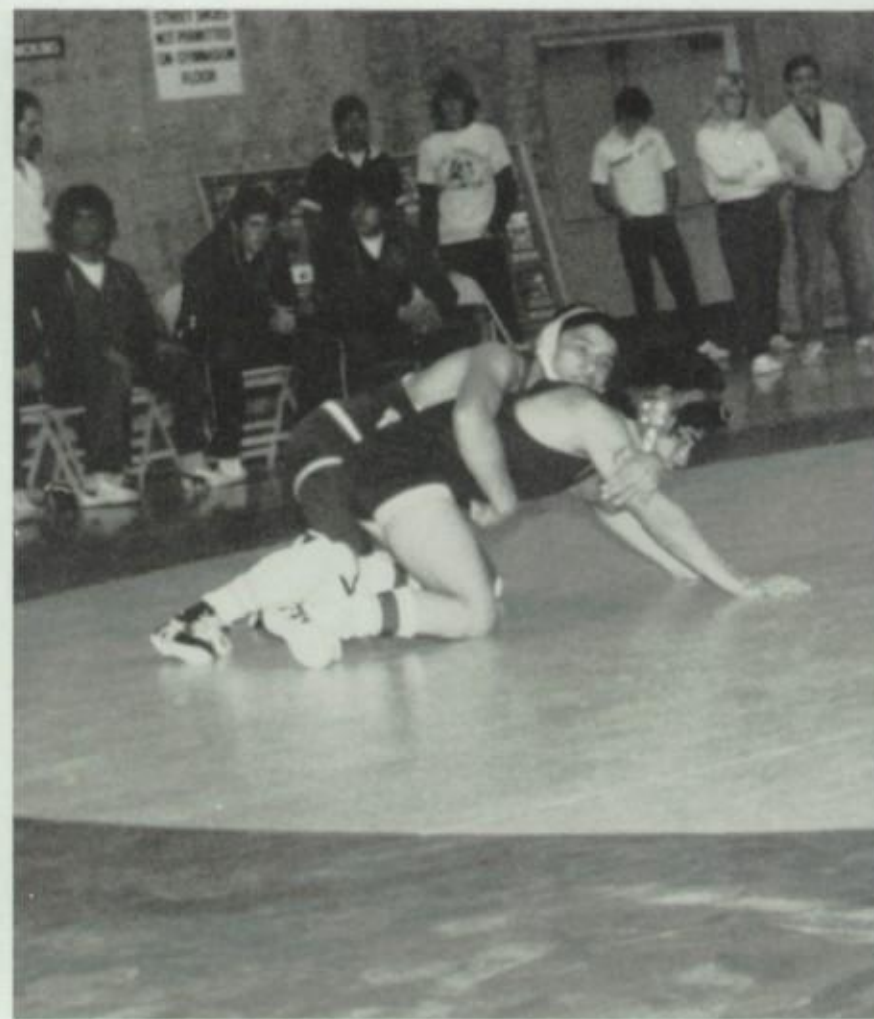

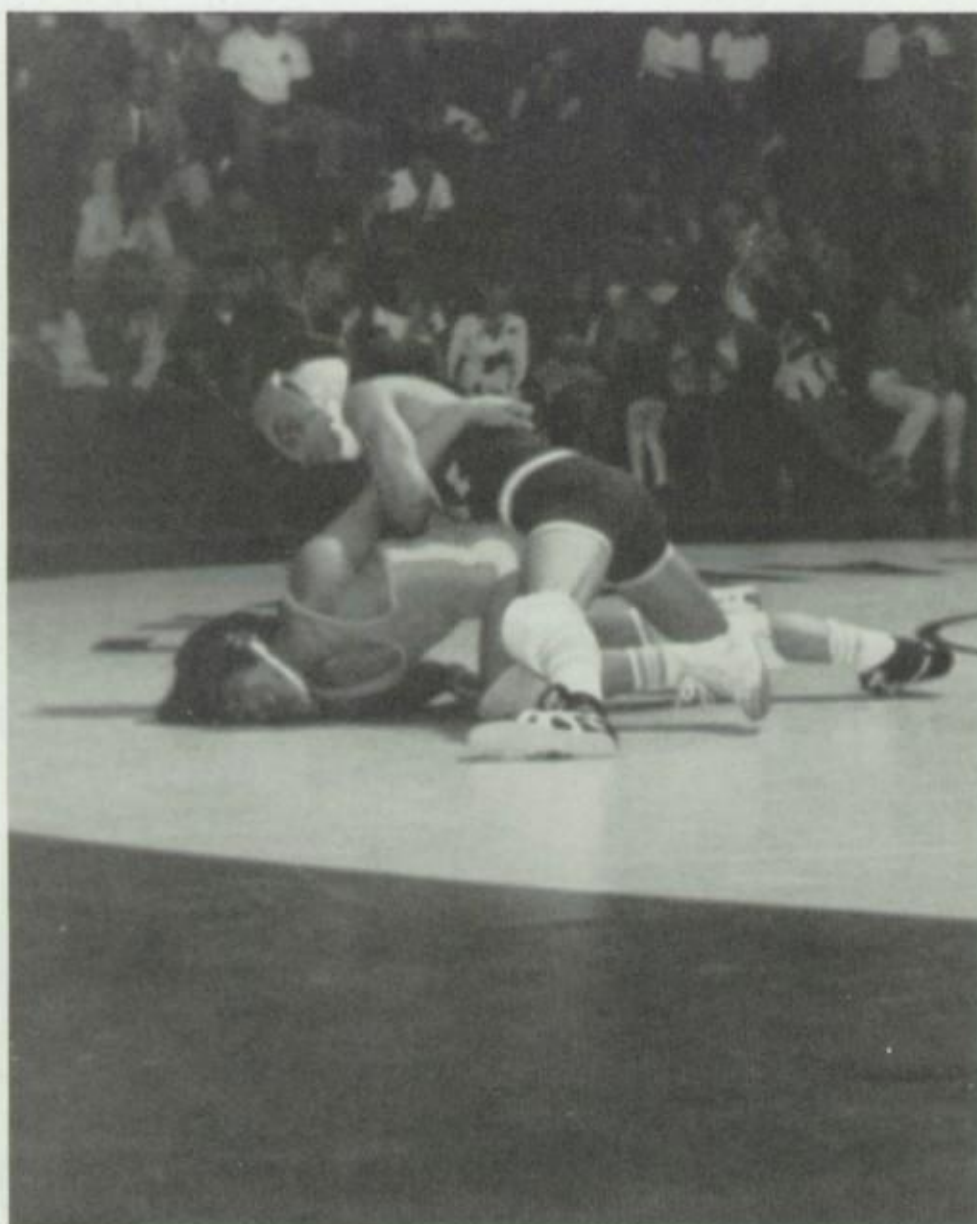

The boy's Sophomore team ended up with a 8-12 season. Even though this record is not the best, it does not show the hard work and dedication that these young energetic individuals put forward.

With a lot of hard work and dedication these young men may prove to be a dominating factor as juniors, in the league next season.

The 1982-83 Junior Varsity boy's basketball team had a very good season. Sean Louis and Joe Pugh led their team to a respectable 12-9 overall record, and forth in League. The team is strong and should make a good, competitive Varsity team next year. Sean Louis described the season as: "It was fun. I liked it alot because I had a good amount of point averages per game."

Varsity Wrestlers

A lot of hard work and dedication went into making Royal's Varsity Wrestling team the winners that they truly are. The Royal Wrestling team finished second in Marmonte League. Under the supervision of Coach Jerry Barnes, the wrestlers gave it their all. Coach Barnes has been coaching for 15 years and out of those 15 years, Royal has won the Marmonte League title six times and they almost made it seven.

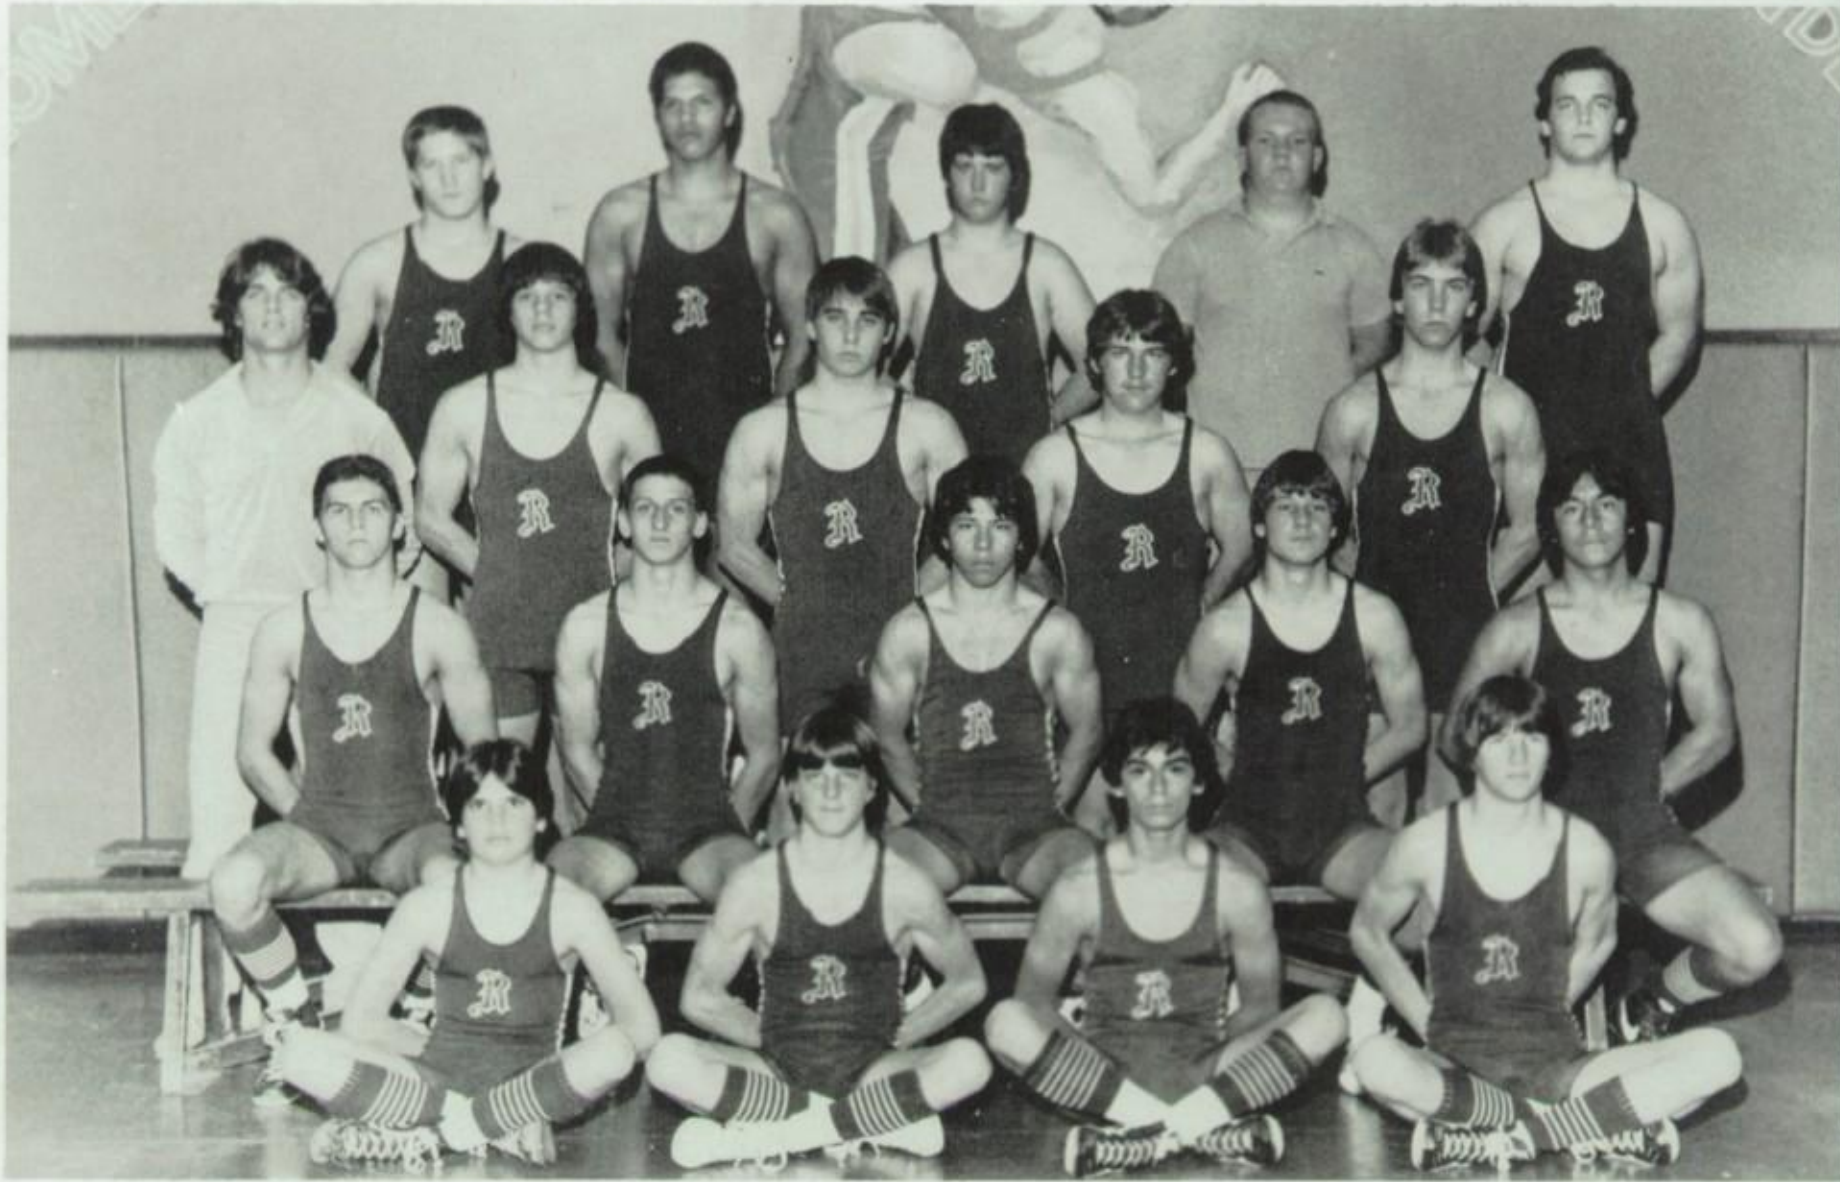

Coach Barnes was quoted saying, "We did real well this year even though we should have been Champions."

Placing in Marmonte League were: Albert Aguilar-108 lbs., Carl Moss-122 lbs., and Jerry Romero-148 lbs. all taking 1st place.; Eric Millsap-101 lbs. and Jim Empero-115 lbs. taking 2nd.; Chris Liermann-170 lbs. and Tom Grant-203 lbs. placing 3rd; and Robert Landegger-129 lbs. with Brian Tapia-HWT. placing 4th. To the Highlanders, the Royal Wrestlers are Champions!

J.V. Wrestlers

The Junior Varsity Wrestling Team finished the season with an impressive record of 5 wins and 1 loss in league entitling Royal to 2nd place in Marmonte League Junior Varsity Championship, under the supervision of Coach Eric Wilson. All the wrestlers put a lot of time and effort into making this year's team the success that it was.

Placing in Marmonte League were: Tom Spagnola-108 lbs., Derek Costley-122 lbs., and Rick Chivigotis-129 lbs., all placing first. Amolio Gonzales-115 lbs., Scott Selway-135 lbs., Steve Clifton-158 lbs., and Frank Blessing-170 lbs., all taking 3rd, and Robert Farmer taking 4th place. The Highlanders are very proud of their J.V. wrestling Team.

Girls Varsity Soccer

Our Boys' Varsity Soccer team really worked hard this year. Coach Joe Canone lead them through many hours of tough calisthenics and, their favorite, long hard runs. Our many outstanding players did their best. They started out really strong in the pre-season but lost momentum as the season progressed. They had a disappointing year but enjoyed themselves anyway.

When asked what they thought about boys's soccer, Tina Corley replied, "They had a lot of talent but just couldn't seem to get it together".

Ulyses Escobar said, "The team had a lot of potential".

Jocelyn Letney smiled and said, "They all had nice legs and they looked real cute".

Girls' J.V. Soccer

The Girls' J.V. Soccer team this year had many outstanding players; they really proved to be what everyone expected. They had a really good coach, Tammy Hill, who lead them to beat Simi! The girls did a fantastic job and really tried to do their best through the whole season. They should make a fantastic varsity team next year.

Artistic Spirit

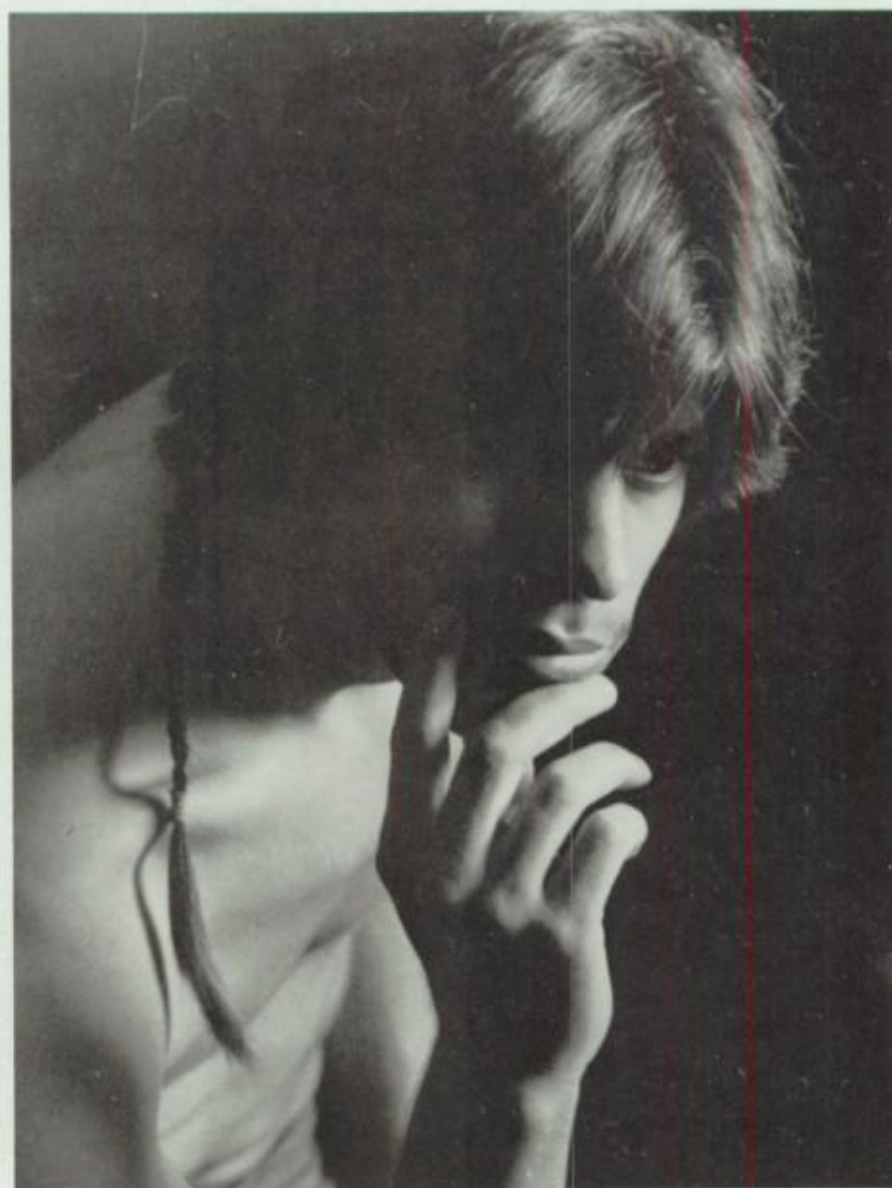

Arts

Art can be found in all kinds of forms at Royal. Students can study anything from drawing to photography, drama to song. Hours of practice and determination go into displaying their new found talents. And as time goes on, many more students will find new talents and new creations that will add a sparkle to Royal High.

Kim Warner said that "The Madrigals exhibit very much talent."

Ron Gallella stated "It's a very enjoyable class and a part of the ultimate high school experience."

"The Peanuts Gang", Royal High's fall musical was a collage of scenes by Charles M. Shultz directed by Kerry Jackson and choreographed by Kathy Sharf.

The play told the story of a typical day in the life of a 6 year old boy named Charlie Brown, and his friends.

Actor Andy Munday found the play "thoroughly enjoyable, and all the actors did a very good job, especially Schroeder." Choreographer Kathy Sharf commented that it was nice to be back working at Royal. And Kim Warner said "I thought it was very entertaining and Eric Cohen was such a cutie."

The play was performed two nights here at Royal and the cast also toured with performances at many of the Elementary and Jr. High Schools here in Simi Valley.

Talking It Up

The Speech and Debate Club provides a unique experience for all students involved. They get a chance to travel about the state in a competitive manner competing with any team that may cross their path. They gain the practical experience needed in this "judge on first impression" nation. They can sharpen their speaking skills with such mentally challenging events as impromptu speaking, humorous interpretation, dramatic interpretation, extemporaneous, original oratory, and debate.

Ariana Tinsley, an outstanding speaker and the president of the club, has taken first place in extemporaneous, impromptu, and the Lincoln-Douglas debate. The club itself has taken sweepstakes at Camarillo and first place at Westlake and is currently ranked number 2 in the state.

When asked for a witty quote to summarize his opinion of the club, team member Tim Kessler replied, "I'm speechless!" Former team member Stu Ackerman stated, "Speech and Debate gives its participants the ability to express their ideas and opinions to the world. Without this ability, people are doomed to oblivion in a sea of speechless Americans."

TOP LEFT: Mr. Waltzer, the advisor for Speech and Debate, is speaking to the class. TOP RIGHT: Ulyses Escobar day dreams during a lecture. BOTTOM LEFT: Jean Marie Morrison, Jana Bridges, and Dan Burdick enjoy belonging to the Speech and Debate Team.

Music Appreciation

Wind Ensemble and Concert Band are two of the specialized instrumental music groups here at Royal.

Both groups practice long hard hours, all striving for perfection.

They perform at the Christmas Concert and other band productions at Royal and the class is offered 4th period.

Music Instructor Mr. Norm Bren returned this year to Royal and since his return the instrumental music program has definitely prospered.

Hold That Pose!

The photography class, which is taught 3rd through 6th period by Ms. Diane Woolley, has many promising students. Royal has one of the best high school photographic facilities in Southern California, along with a knowledgeable instructor.

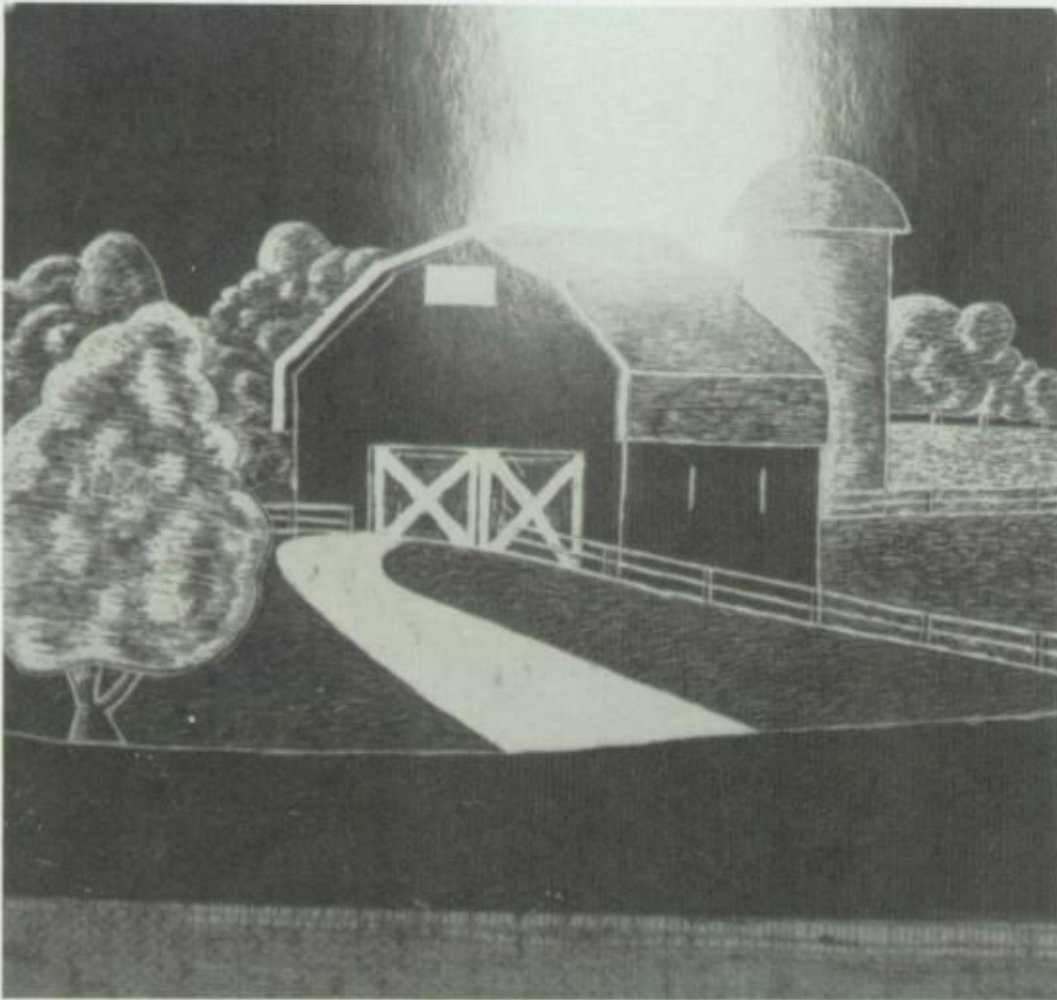

Julie Olson said, "Woolley lets us do what we want as long as you get your pictures done on time." Another student Vince Hidalgo added "It's a hard class if you don't have your head in the right space and Woolley is a good teacher."

When Beth Hyatt talked about the photography class she said, "Woolley is an excellent photography teacher. She teaches the students on their own level."

Fun Art

Royal's Fine Arts Dept. is full of new young artists with loads of ambition. Classes are offered throughout the day for anyone who has any kind of interest in any kind of art. Whether it's modern or classical, Royal has it. Tim Ibbotson, Royal's best known artist is off to an excellent start by studying art here at Royal. He sold his version of a Royal Highlander to the Herf-Jones Co. and now it can be seen on Class Rings and many other merchandise all around campus.

Looking Back

I have had the privilege of being associated with three terrific groups of students this year and would like to take this opportunity to thank them.

The Class of '85 had a terrific Sophomore year. Who can forget their "Salute to Disney" float or the jewelry sale? Thanks to the class officers for all their hard work.

The Girls Basketball Team had an exciting season this year and we all enjoyed the Palm Springs Tournament. Thanks for all the thrills and great basketball.

And many thanks to a dedicated yearbook staff. You did a superb job. A special thanks to Melanie Caracciolo, this year's assistant editor and a great big thanks and good luck in the the future to Pattie McCann, this year's yearbook editor.

I ♥ To Give Blood

This years Blood Drive was held on December 13, 14, and 15. It was sponsored by the A.S.B. Cabinet, as one of their community services. This is the 4th year that a Blood Drive has been held, and this year we had a very large turnout of people.

The qualifications for giving blood is to at least weigh 110 pounds, be at least 17 years old, and be in healthy condition.

The process of giving blood is quite easy. It only took between 15 minutes to a half an hour for the actual donation. The other part of the time was held chatting to other people and sitting around drinking punch and eating cookies.

Almost everyone who donated blood was very proud.

Paula Sinsheimer was quoted saying, "I felt really good about myself but I felt a little nauseas afterwards."

"Blood is a gift you can't buy and I felt very good inside after I had donated a pint of my blood," stated Tracey Docherty.

Many events occurred throughout this 1982-83 school year that did not happen at Royal. Famous people passed away, Wars were fought, energy prices were going up and down. Inflation was down and unemployment was up. Eleven million people were out of work. The state of California had a new administration and no money. The graduates of 1983 are facing uncertain times. Only when this is read ten years from now, will one know if we were in a recession or depression.

There were many events during 1982 that emotionally touched our lives. Many Americans mourned the death of a beloved film star, Henry Fonda. People everywhere were saddened by the death of Princess Grace Kelly of Monaco, who died in an automobile accident in September. On

the other hand, the birth of the heir to the British throne in July was a very joyous occasion.

We had our share of frightening experiences. On April 2nd, Argentine troops invaded the Falkland Islands. This invasion not only started a fight for the territory, but also prompted the British in stating that they wouldn't be pushed around. And, in early June, Israeli Prime Minister Menachem Begin ordered 60,000 men and 500 tanks to roll into Lebanon. It was a violent, bloody summer as Israeli forces seized and bombed Lebanon.

1982 was a year full of chaos. Tylenol was recalled after seven people died from cyanide-laced Tylenol capsules. The kids in the arcades were frequently plagued by "Pac-Man Fever". On September 21st, pro-football players went out on an eight-week strike. In the California election, Republican Candidate George Deukmejian beat Tom Bradley in a come-from-behind victory in the race for governor.

Club Spirit

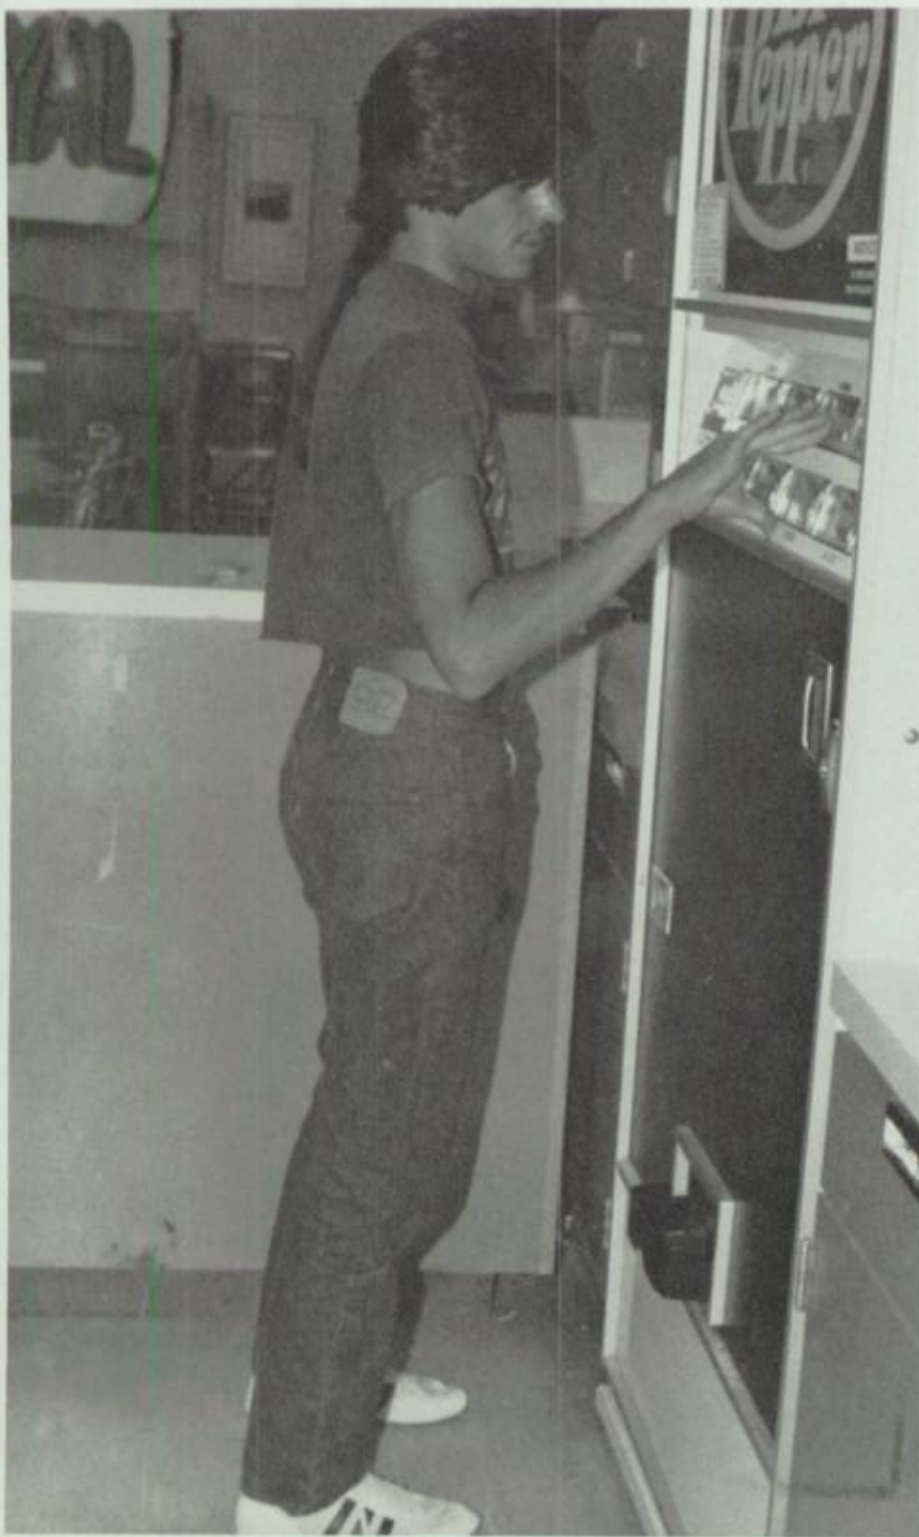

Peanuts, Popcorn, & Pepsi

The Student Store was in existence seven years ago, but it was not until January, 1981, that it became successful. Candy, soda, general school supplies and spirit oriented items are sold in the store.

Cheryl Stauffer said "The Student Store is a convenient place to get supplies in a hurry."

"If you ever need anything the Student Store is the place to go." stated Beth Hyatt.

All the money the student store brings in goes to the A.S.B. It is used for the support of student activities, including class, club, and sports events. Rosie Reyes is the store's supervisor, also running the store are the Commissioners Leslie Dreiling and Cheryl Donaldson.

Paper Tells It All.

The Plaid Truth is our school newspaper. It is responsible for covering and publicizing all the events that take place at Royal. The journalism staff has the ability to capture the true essence of the spirit involved in the events. This year has been the first time that the journalism staff has printed the paper on its own. In place of using the Enterprise's printing press, as they have previously used, they are printing by means of the school computer. The journalism staff truly exhibits professional qualities and informs others on different events.

Many students had positive views concerning the paper. Maria Tallosi exclaimed "The paper is great! It lets me know what's going on and it shows everyone's spirit." Jeannine Spiller added, "The Plaid Truth reminds me of things that I know and informs me of things I need to know. Also, it's funny sometimes." Finally, Karen Underhill stated "Without the paper, we wouldn't be as informed on the important events that take place at Royal."

The Musical Marching Spirit

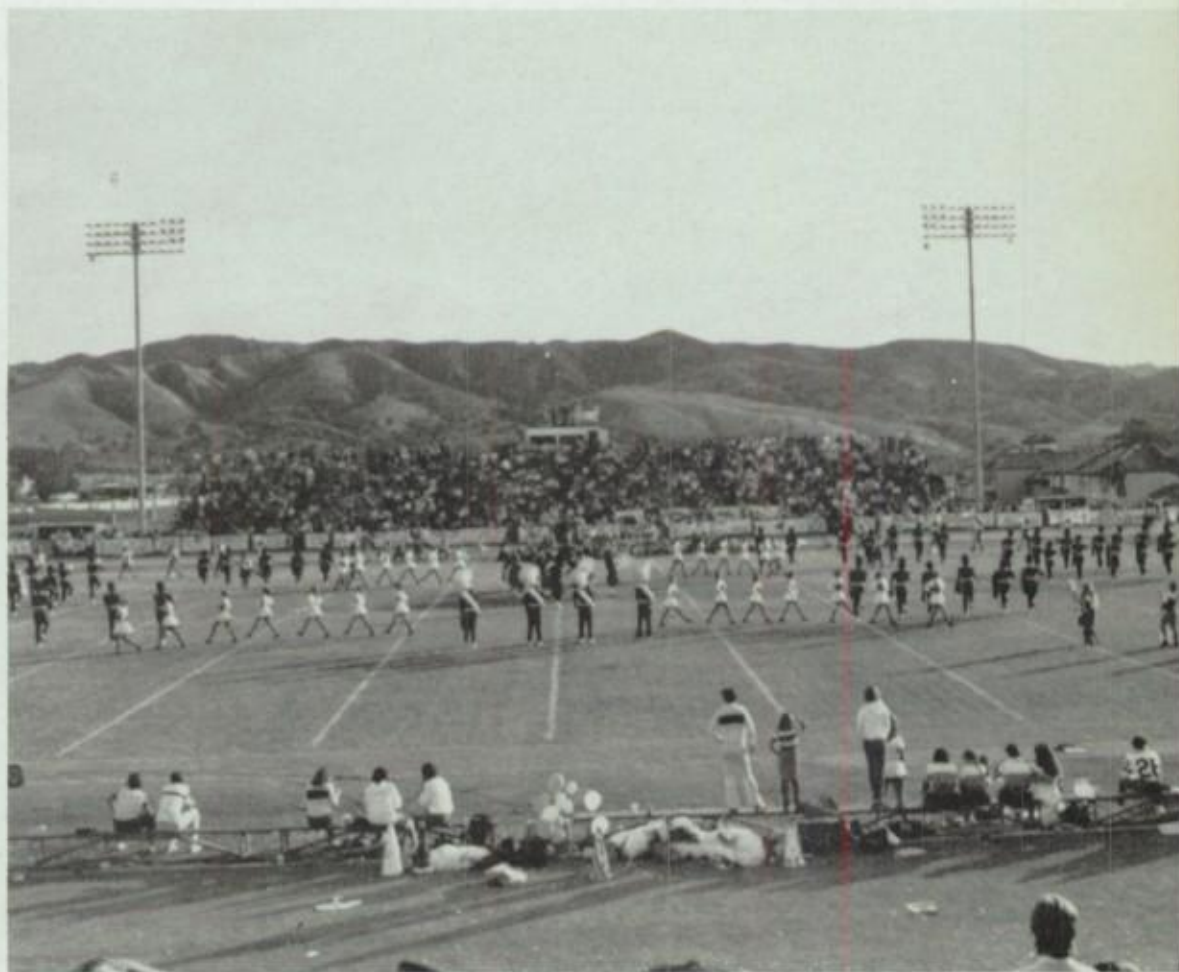

The 1982-83 Royal High School Band is comprised of students with a remarkable amount of talent. Through hard work, the band has won many highly regarded awards. This competitive unit has performed in many different competitions and parades.

The band performed its field show during football halftime and helps raise the Royal Spirit at basketball games and the rallies.

The band has won many first place awards at several competitions, but did especially well at the Simi Valley Band Spectacular. They won TresCondados Award (Tri-Count), Tri Valley Award, and Best General Effect.

Gertie Cole said "Being in the Royal High Brigade requires a lot of effort, time, and sacrifice. Bringing Dr. Stephens a sweepstakes trophy makes it all worth while."

"As a member of band I'm part of a special family that shares happy times as well as rough." Christine Budy added.

Royal Highlassies

The 1982-83 Drill Team is known as the Sweepstakes Winners! This group performs and competes almost every weekend during the first semester. Many times they bring home top awards available like Sweepstakes at the Band Spectacular. They perform at half-times, competitions, and parades. Although Drill Team is a lot of fun, they spend most of their time and Saturdays practicing. All the hard work and dedication makes Royal High very proud of our Drill Team and its advisors Mrs. Wampner and Ms. Bowlus.

Lori Willer, a three year member of Drill Team, stated "Drill Team has been so much fun and has made my three years of high school worth while. It is a great way to meet a lot of special friends." Kim Thykeson added "I'm proud to be a Royal Highlassie. It's a lot of fun and hard work, but I love to dance." Maria Tallosi said "I think the Drill Team has achieved a lot and is great."

Flags And Dancers

The Royal High Pageantry Corps of 1982-1983 consists of Tall Flags, Letterettes, and Banners. This group has had a superior marching and field tournament season. Hardwork, long hours of practice and determination has made these "ladies" the best ever. The Pageantry Corps is under the direction of Paula Green and assisted by Charlene Girard. They are very proud of their ladies and all that they stand for.

Mark Haney stated "I've observed the flags routines at competitions and I believe they exhibit true talent and a wonderful and entertaining show. They are "real Highlanders." Dena Innes replied "Having watched our Tall Flags over the past three years at various competitions, I think that we have one of the best groups in southern California. I think they perform one of the toughest routines of any other flag group that they perform against. I think they should be commended for all the hard work, effort, and time they put in." Tina Pinero, a three year member of Tall Flags, stated "I really enjoy Flag Corps, it's a lot of fun and the friends that you make are super!"

Future Politicians

J.S.A., Junior Statesmen of America, is a new club at Royal. It is designed to increase political awareness in the students. Every week they hold debates on controversial issues and they also involve themselves in political forums. They have invited such political figures as Cathy Wright and Dick Stine to participate as speakers on our campus.

Although this is a new club and many students do not know about this club, students had many outstanding comments. Dave Hixon stated "It seems like a very interesting club and they do some neat stuff."

Bobby Chacon added "I like what they do, they offer students a chance to see political speakers and get a real life experience and see what the issues are really about."

Staff Spirit

We Will Miss You

This page is dedicated to a very special person. She has been the Vice-Principal's secretary since Royal opened in September, 1968. Perhaps the athletes know her as the "one who gives you the insurance papers." The faculty knows her as a wonderful human being who always gives an extra effort to help anyone. Mr. Ellis knows her as that wonderful person who typed up the WASC report.

We all knew her and loved her. After Christmas vacation, Mrs. Percy transferred to Valley View Junior High School. She is now working for Dr. Wayne Wylie, one of her former bosses here at Royal.

The entire staff gave her a "Going Away and Good Luck" party where they presented her with some gifts, cards, and cake.

Mrs. Jeanine Pilling, who organized the party said of Mrs. Percy, "I think she is one of the finest people I've ever known."

Mrs. Linda Linet added, "She's a very efficient person."

And Mr. Dave Ellis enthusiastically noted, "I think she is one of the nicest, most capable persons that I've known. She was a delight to work with."

TOP LEFT: Mrs. Percy is using her trusty computer-word processor. TOP RIGHT: Mrs. Percy's cake that the whole staff enjoyed. BOTTOM LEFT: Mr. Schultz gives a good-bye hug to Mrs. Percy.

The Royal High Staffers

Royal High for many of years has been well known for its clean and well kept up campus.

Many hours are put into the school a week.

The Grounds Men's job is to make sure that the grounds are looking in top condition at all times. These men do a excellent job.

The Noon Supervisors play a very important part at Royal High. It is their job to make sure that no one leaves the campus without a pass. This is their job and they do a fine job at it.

The Cafeteria Ladies put many hours a day into preparing our school food they make sure that what we eat has a lot of nutritional value and good taste.

The Plant Manager's Staff is a well qualified staff. They are skilled at their work, they also do a fine job to make Royal look its best.

Secretaries

What would the school do without the secretaries? It would fall apart. The secretaries are a main function to keep Royal running smoothly. They take care of the paper work, the telephone calls, balancing the school's budget, entering information into the computers, keeping the students in order, and just a myriad of other jobs too numerous to mention.

Hats off to our Royal secretaries. Without you Royal would fall apart!

1982 Football Homecoming

"1982" Homecoming was one of the most popular events of this year. All students seem to just get involved and have a great time. There is so much spirit and enthusiasm that flows around this campus. A new edition to this years homecoming was the prince's and the King.

During this fabulous half time game Bobbi Gillespie was crowned as the new 1982 Homecoming Queen and Doug Lipsky was crowned as the new 1982 Homecoming King.

Bobbi Gillespie was quoted saying, "I was in shock but it was a great feeling! I had a great time and feel so honored."

Doug Lipsky added, "It's great! I love all this attention and I would like to thank the football team."

Following this memorable event was our homecoming dance. Performing was Pa Pa Doo Run Run which had a very large turnout of people.

Queen Bobbi Gillespie and King, Doug Lipsky; Senior Princess Pam Kingsley and Prince Mike Cruz; Senior Princess Kim Warner and Prince Bobby Chacon; Junior Princess Juli Baker and Ken Lutz; Sophomore Princess Kim Pugh and Prince Steve Skelly.

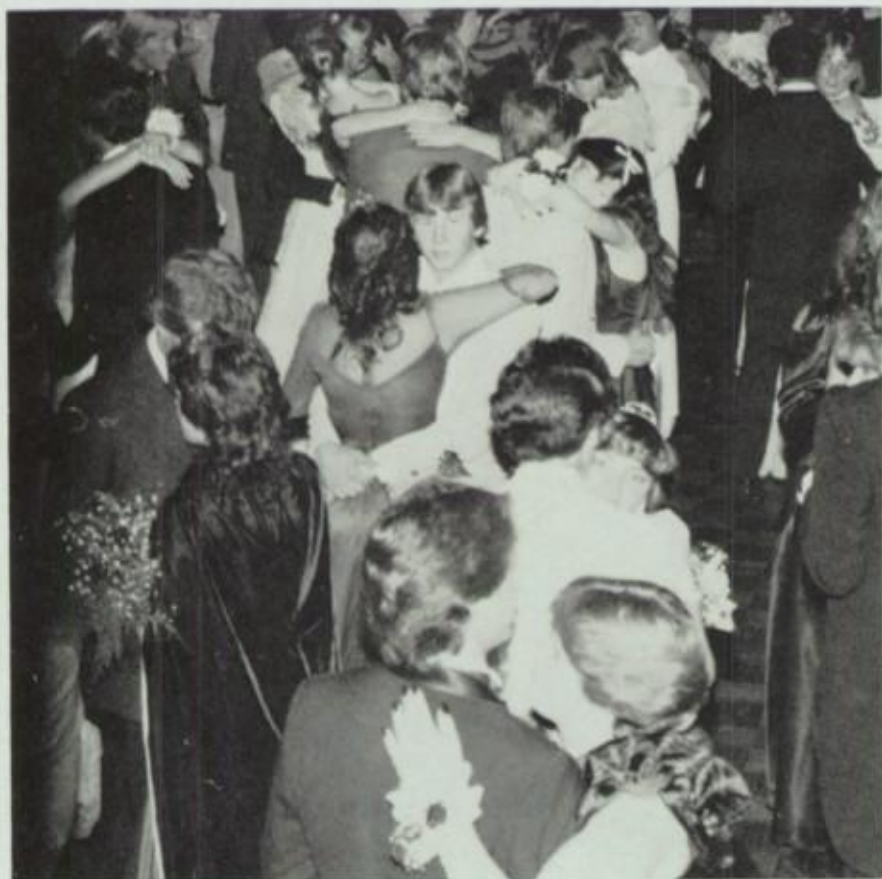

Moonlit Memories

The 1982 Winter Formal's theme this year was "Moonlit Memories." It was held at the St. Nicholas Grand Ballroom in Northridge once again. There were many couples at this years formal, in fact, it was the best turnout Royal has ever seen. The Class of 1984 did a great job in putting it together. It turned out well. The band was Rock Dodger, and they were very good. The couples seemed to enjoy the music. Drinks and dessert was served for all the couples. The dessert was a lovely cake with "Moonlite Memories" printed on top. The atmosphere was filled with excitement and romance. The traditional crowning of the queen was held. Miss Sue Moore was crowned the 1982 Winter Formal Queen in front of all the couples who attended. The 1982 Winter Formal was an exciting experience for all. Congratulations to the Class of 1984 for doing such a great job. They all deserve a thanks.

1982 Winter Formal Court

The Christmas Formal is always such a memorable evening to remember. The St. Nicholas Ballroom was the scene where all of the action took place. The band, Rock Dodger, was a success.

During this great evening, Sue Moore was crowned Winter Formal Queen escorted by Blake Aaron. Senior Princess were Cindy Hernandez escorted by Robert Tomaszewski and Jeanne Schaefer escorted by Tim Turk. Junior Princess was Judy Violette escorted by Rick Milerand and Sophomore Princess was Tinger Lowdermilk who was escorted by Keith Ellen.

The Winter Formal had such a large turn out of people. Everyone looked so nice, especially the guys with their suits and tuxes and the girls with their long formal gowns. Everyone had a great time. The new reigning 1982 Winter Formal Queen, Sue Moore, was quoted saying, "I was surprised when I was chosen as a princess, but when they announced my name as Queen- I was in shock!" "I could not believe that I won and I felt very honored." Sue also said, "The whole night went well, the band was great, and my escort, Blake Aaron made it very special and I will never forget the memories of that night."

Everyone that attended this wonderful night would like to thank the Class of 1984 for all of their time and preparation to make this such a special night.

Crowned . . . Marleen Shores

1983 Basketball Homecoming

Basketball Homecoming is one of the most exciting games of the year. Many people came to this game, not only to watch the fantastic basketball action, but also to see the homecoming festivities.

The 1983 Basketball Homecoming was a great success. All the students involved put in a lot of hard work and effort; but it was worth it when the night finally arrived. There was a lot of student support and spirit at that event.

Looking back on the Homecoming night, the half-time festivities were full of excitement. The drill team and alumni drill team members, performed a very nice half-time dance routine. After the drill team performance the princesses and princes were announced to the crowd.

In the midst of all the excitement of half-time Miss Marleen Shores was crowned Queen and Mike Pugh was crowned King.

Marleen expressed her feelings as saying, "I felt really honored to be a princess, and was not expecting to get Queen. When they announced the Queen, I was super shocked and excited. The whole night was an experience that I will never forget."

You could tell by the expression on Mike Pugh's face that he was surprised, honored, and having a wonderful time.

The new reigning Queen, Marleen Shores, was escorted by King Mike Pugh. Her court included Tracey Docherty who was escorted by prince Lance Kreisman, Jackie Redner who was escorted by prince Bobby Spurling. Both were Senior princesses. The Junior princess was Stacey Sullivan who was escorted by prince Mike Noone. The Sophomore princess was Jaime Tabor who was escorted by prince Dennis Noone.

After the game the Queen, her court and everyone enjoyed a night of fun and dancing.

Senior Popcorn Social

This year's social was a bit different from last year's ice-cream social. This year it was a popcorn social and it was held in our new Mann Theaters. The main event of the evening was, of course, the announcing of the senior poll winners.

Misty Downard was quoted saying, "I enjoyed the movie very much and loved eating the popcorn."

"I knew once best body went by I had to have gotten most athletic," laughed Paula Getty.

Cybil Lolley added, "I wanted to win those Grad Night tickets, but most of all I went to cheer on my friend, Paula."

BEST FRIENDS was the movie shown at the senior popcorn social. Many seniors attended this event and had a great time. It was definitely a fun night to remember.

As Assit. Editor of this years year-book I have had the opportunity to work with two different people, Barbra Hatton-Advisor, and Pattie McCann-Editor. I also have had the opportunity to work with a great staff: you guys did a super job.

I would like to thank a couple of special people. Mike, although you came in after first quarter you have done a terrific job putting up with everything. THANKYOU. I would also like to thank my Davey. Although you were not in yearbook I appreciate all of the help and support that you gave me, also for listening to me when I needed someone to talk to. I thank you and LOVE YOU for that.

I would like to wish the seniors GOOD LUCK in all that they do in their future.

By being Assit. Editor I have the privilege to have a page to do with what I want. Well, where in this book is there a page that any student can do with it like they please? A page that you could draw on, write on, or put a picture on it if you choose to. Nowhere. So I am giving you one-half of mine, do what you like with it.

Good Luck Always,

Editors Say Goodbye

Editors Speak Out

A lot of time and dedication has gone into this book. There were many people who put a lot of themselves into this book, but I would like to thank a few who helped me get through the ups and downs. First, Susie Berry for her effort; Terri Nelson for caring; Julie Olson for keeping me together through it all, and Carolyn Sylvester for always having the time to listen and talk to me, & Michelle Houston for her winning smile.

I have been anxiously awaiting graduation, yet as it draws near, I am not so eager. I will miss all the Royal spirit, pride, and fun times the Highlanders have had. Most of all, I will cherish the fantastic memories I have shared here at Royal, especially the ones with Bobbi, my best friend, who has always stood by me and showed me how much she cares. To Melanie, we have been through a lot together, I wish you the best of luck and much success next year.

A special thanks goes to Barbara Hatton, who has been like a mom to me and to Mr. Eggers and Mr. Chapman, who taught me to believe in myself. A **very** special thanks goes to my sister, Kit, who has helped me meet deadlines and has always just been there for me, and my mom and dad for understanding me. I LOVE YOU ALL!

To the Class of 1983, This is It! We made it! I wish you all the BEST of LUCK in whatever you do in the future. We are a class that Royal High will never forget.

Remember . . .

Yet Look Ahead

Remembering makes our memories come to life. The most pleasant memories are those of Royal-Simi games. This year alone, the mighty Highlanders conquered the feeble Pioneers in: Football, Girls and Boys Basketball, Cross Country, Volleyball, Waterpolo, Wrestling, Girls Tennis, and Girls Soccer.

Nature has never ceased to prevail. Fear was spread throughout the school when an out of control fire continued to burn closer to our Royal High campus. The fire was not the only disaster faced this past year. Excessive rains caused flooding throughout the valley. Many students were prevented from going to school, much to their disappointment, as a result of the flooded streets.

The Learning Resource Center (LRC), was opened to help better students' learning abilities. Royal High was proud to have the Accreditation Committee visit and evaluate the school. Many preparations had to be made prior to their arrival. A survey was administered to all students. This survey allowed the students to express their opinions about how to better the school. The Committee determines how well our education is.

The Royal spirit was lifted up as Papa Doo Run Run performed at the football homecoming dance. They played surf songs all night long.

John Stamos, who stars as Blackie Perrish, on **General Hospital**, caused quite a commotion as he sang, at yet another exciting dance.

Halloween, although on a Sunday, was celebrated at RHS on the Friday before. The campus was one "BIG" costume party.

Dr. Phil Stephens has served his last year as Royal's principal. He resigned to take a counseling position in which he feels he would be able to work more closely with students.

The second semester, lunch passes were extremely hard to come by. Everyone felt that the requirements to receive a pass, based on tardies and truants in all classes, were unfair. Students caught off campus without one were suspended. Many went through such extremes as hiding in car trunks and parking off campus, in hopes of escaping.

A sad memory is that many qualified teachers' jobs hang in the balance because of extreme budget cuts by the district. Another effect of the budget cuts is that students may be forced to pay for all sports starting the Fall of 1983.

We hope that this will help you in the years to come to remember your 1982-1983 high school year.

*Little,
 I'll always remember
 you as the other
 speaker, who forgot
 her speech. Thank
 so much for being a
 friend. Our 3 years
 here have been great,
 well, maybe not great,
 actually not even
 marginal, but you
 have made them
 much more bearable.
 Thank you parents again
 for saying for
 my Bach dinner.
 I'll see you
 sometime.
 Bye bye
 Priscilla*

Gentie,
 So how
 your love
 life? I'm really
 glad to get the
 chance to know you are, a nice,
 interesting unique person, and
 not for what others thought, and
 you had a lot of good
 laughs in both with Darren huh!
 well I hope you had as much fun
 as I did this year at the prom, Gentie
 I hope your life turns out long and
useful - just like toilet paper! Give me
 a call sometime okay! (1-213-709-349)

Gentie,
 Well, I'm really glad that we got to
 know each other. We had such a great time
 at Yosemite. You're so fun to be with, I really
 like you a lot. Good luck in your future
 endeavors.

Love, Elizabeth 527-4126

It was great
 meeting you in the
 4th club. You are an
 excellent person and a
 superb student. I'll miss you
 a lot, but I know that I'll
 come back to see you and
 or maybe college and everyone
 in I'll have a lot of fun
 love you all

WELCOME TO

ROYAL

Mattie,

I've tried all year to drive you crazy and a couple of times I believe I have been at least moderately successful. Through all of it you must know I like and respect you for your sweetness and brains. Good luck in the future. See you at the twenty year reunion.

Love Always,
Scott Lips
